Dear Shawn.

I am writing to urge Mesa Consolidated Water District to cast its vote for Rich Freschi for LAFCO representative at the upcoming April 29 Independent Special Districts of Orange County meeting. Rich Freschi and Shawn Dewane's election as regular member and alternate representing ISDOC on Orange County LAFCO will bring a much needed infusion of new blood on the LAFCO Board.

Rich Freschi has a wealth of experience. A successful businessman and entrepreneur, Rich has devoted recent years to full time public service. Rich served as a member of the Villa Park City Council for twelve years. He served as Mayor in 1998 and 2005. He was appointed in 2009 to the Santa Ana Regional Water Quality Control Board by Governor Schwarzenegger. Rich serves as an elected member of the Serrano Water District and of course currently serves as first Vice President of ISDOC.

I am concerned about the current effort to dismember the Municipal Water District of Orange County. The creation of a new duplicative water agency will drive up costs for both North and South County residents. Unfortunately, ISDOC's current LAFCO representatives have been sympathetic to this South County power play.

Please cast your vote in a way to insure ISDOC's representation to LAFCO better represents the wishes of a majority of its members.

There was discussion regarding different views of the term. It was moved by Secretary DeVecchio and seconded by Trustee Wood to adopt the proposed revisions to Policy 2321 as presented with the changes noted in discussion, specifically replacing 'managing' with 'supervising': (Item 28)

Library Director Contreras gave an update on the status of the current library fire alarm system. President Shkoler asked were the funding would come from. Director Contreras stated there should be available funds in the General Fund. **SUBJECT:** Computer Lab Update

**DATE:** April 19, 2010

#### **BACKGROUND**

Computer technology continues to play an increasingly important role at the Placentia Library. It provides access to a great number of new and useful information resources; it allows more efficient communication with users and staff and it broadens the scope of services and programs that the Placentia Library can offer.

When the Placentia Library conducted a community survey in 2007, respondents wanted more access to computers. The result validated what staff had anticipated – a computer lab providing additional computer stations and workshops to address the public's educational, recreational, research, and information needs. The Library is experiencing a high increase in computer usage and internet access usage, and the new computer lab will enable us to meet the broadband connection needs of our patrons.

The fundamental principles of the computer lab will be to support:

- o Increased accessibility and flexibility in the delivery of information through technology.
- o Public education in technology and online services
- o Increased efficiency of library operations supported by technology.
- o Increased staff and patron satisfaction and functionality through technology.
- o Staff training in the use of all technological enhancements implemented.

The Placentia Library Friends Foundation (PLFF) understood the need and approved \$50,000 to begin the computer lab project. Without the PLFF's commitment, the computer lab project would not have been realized and computer and internet accessibility to our patrons would remain at the bare minimum. In addition, the Library also received \$7,000 from the Klein Family Foundation and \$5,000 from the City of Placentia, to be invested in the computer lab project.

The hardware has been purchased and the architect selected. Wayne Tani Architects, located in Placentia with over 25 years of experience, will provide the architectural drawings by the end of April. Upon completion of the drawings, the Library will begin the Request For Proposals process for construction of the computer lab.

**SUBJECT:** State Disability Insurance

**DATE:** April 19, 2010

#### **BACKGROUND**

An employee had inquired management regarding the possibility of providing State Disability Insurance (SDI) as a benefit to all employees. As a result of the inquiry, a survey was conducted to seek feedback from staff. Over 80% of the responses were "no" to SDI. The interested employee asked that the benefit be presented to the Library Board of Trustees nonetheless.

The California SDI benefit is a partial wage-replacement insurance plan for California employees. The SDI programs are funded through employee payroll deductions and provides affordable, short-term benefits to eligible employees. Employees covered by SDI are covered by two programs: Disability Insurance and Paid Family Leave.

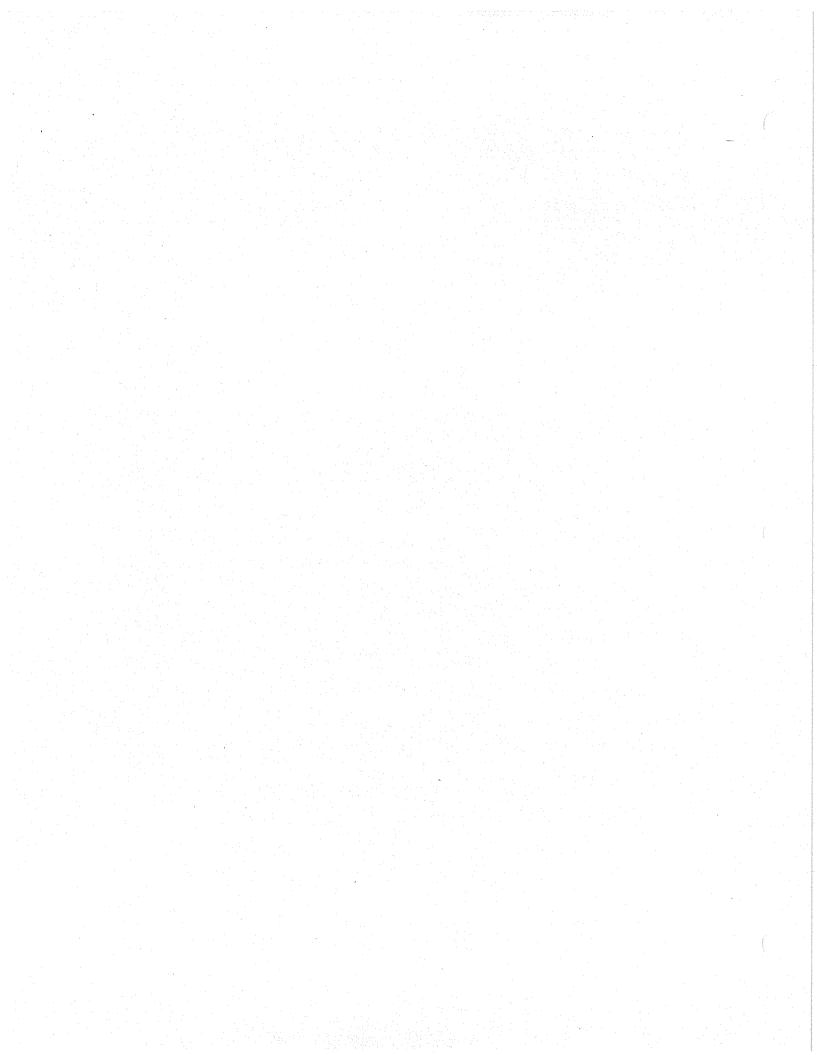

There are three disability insurance plans: State Plan, Voluntary Plan and Elective Coverage.

The SDI Withholding Rate for 2010 is 1.1 percent. The annual cost to our current employees would be:

- Managers \$631- \$1,150
- Librarians \$630 \$700
- Library Assistants \$270 \$560
- Library Clerks \$130 \$437
- Library Aids \$111 \$135
- Library Pages \$50

#### RECOMMENDATION

- 1) Offer State Disability Insurance through employee contribution of 1.1% of their annual salary; or,
- 2) Do not offer State Disability Insurance based on the responses received from employees; and/or
- 3) Direct staff to provide an analysis on the possibility of a short term disability benefit at a future meeting.

SUBJECT: Assembly Bill 155 – Municipal Bankruptcy Proceedings

**DATE:** April 19, 2010

#### **BACKGROUND**

Assembly Member Tony Mendoza (D-Norwalk), representing the 56<sup>th</sup> District, introduced AB 155 which was passed by the Assembly Local Government Committee with a 4-2 vote in 2009.

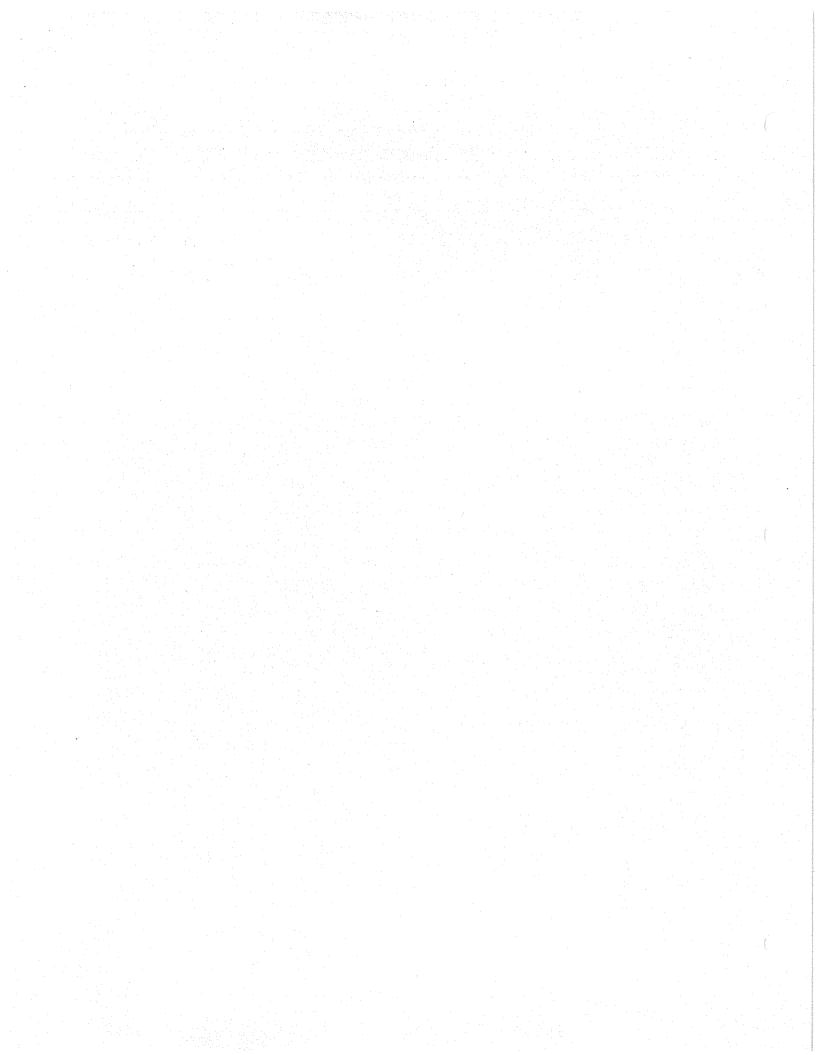

Under the bill, local government would have to obtain approval from the California Debt and Investment Advisory Commission (CDIAC) before filing for bankruptcy. The commission consists of the state treasurer, the Governor or the Director of Finance, the State Controller, two local government finance officials, two Assembly Members, and two Senators. Local agencies must provide CDIAC with a proposed plan for restructuring debt and other financial obligations to avert a fiscal crisis; an itemization of creditors that may be impaired or may seek damages as a result of the proposed restructuring; and any supporting documentation that the local agency deems appropriate to provide or is requested, CDIAC will "do all that it deems necessary" to evaluate the local agency's fiscal condition, including providing recommendations for actions to be taken by the local agency to avert fiscal insolvency. CDIAC may impose terms and conditions on a local agency prior to receiving approval to seek bankruptcy protection. Assembly Member Mendoza refused to accept amendments that would have allowed a local agency to override the decision of CDIAC, but committed to work on the bill and bring it back to the Committee for concurrence in Senate amendments.

AB 155 is supported by a number of unions, including the California Professional Firefighters and CDF Firefighters Local 2881, both of whom are co-sponsoring the bill. The California State Association of Counties, the League of California Cities, the Regional Council of Rural Counties, the Urban Counties Caucus and other individual local agencies all have opposed the bill. The California Association of Counties and the League of Cities are leading the opposition.

AB 155 now moves to the Assembly Appropriations Committee for hearing on Wednesday, April 21. Attachment A is the Letter of Opposition.

#### RECOMMENDATION

Authorize the Library Director to submit a Letter of Opposition to AB 155 as presented.

April 15, 2010

The Honorable Dave Cox Chair, Senate Local Government Committee State Capitol, Room 5046 Sacramento, CA 95814

Re: Assembly Bill 155 (Mendoza)—Oppose Fax: 916.322.0298

Dear Senator Cox:

On behalf of the board members of the Placentia Library District, I am writing to oppose Assembly Bill 155 by Assembly Member Tony Mendoza. Placentia Library District was established in 1919 and built is library the following year. The current 22,800 square feet building is almost 35 years old and despite a recent community survey showing support for public access computers and training, the Library was unable to provide a much needed computer lab. The Library has over 185,000 registered borrowers and loans averaging 19,000 library items per month. The Library offers wi-fi service, book discussions for adults and families, family game days, storytimes, online databases with an emphasis in genealogy and heritage research, a local history room, literacy services, passport services, meeting rooms, and monthly exhibits and displays.

AB 155 requires local governments, including special districts, to first gain approval from the California Debt and Investment Advisory Commission (CDIAC) before filing for bankruptcy. We oppose this bill for a number of reasons:

- What happens if CDIAC does not approve the bankruptcy filing and the special district still faces extreme financial difficulties? Bankruptcy is meant to give an entity some breathing room to restructure its debt and stay its financial obligations, but still continue to operate. Would the district simply dissolve, leaving constituents with no services or forcing the county or another district to pick up the services?
- AB 155 places the government entity and the constituents it serves at more risk than
  any bankruptcy. It places the district at further risk of default, creditors at risk of not
  getting paid, citizens without services, and the state with potential liability for
  damages and debts of that district. This bill has potentially huge costs for local
  governments, our constituents and the state.
- The proponents of the bill assert that a local government entity would want to file for bankruptcy to merely break labor contracts, thus justifying the need for this bill. This cannot be done now, however, because the filing goes to a federal bankruptcy judge to determine whether the local entity is indeed insolvent and thus may file for bankruptcy. Federal bankruptcy judges are impartial and are bankruptcy experts as they only handle bankruptcy cases. This is a safeguard for every group involved. CDIAC cannot offer anything beyond what bankruptcy judges currently provide.

• The decision to file for bankruptcy is not an easy one to make, nor is it particularly popular with local voters. It is the <u>last option</u> our special district would ever want to make. However, this responsibility should fall on the shoulders of the special district board members. This difficult decision should be made by elected officials on the local level, not by state-level public officials.

In summary, bankruptcy is not a decision our special district would consider lightly. In fact, for a locally elected official, filing for bankruptcy would be politically catastrophic and would be the very last option considered. The current system provides for a fair and impartial process where an experienced bankruptcy judge makes the determination that the district or other local entity is, in fact, insolvent and may enter bankruptcy. Requiring CDIAC, an entity not experienced with bankruptcy, to be the gatekeeper as to whether a local government may file for bankruptcy is duplicative and does not add anything constructive to the process. This bill is unnecessary and leaves many questions unanswered.

For these reasons, we respectfully oppose AB 155 and ask the committee to oppose it as well.

Sincerely,

Jeanette Contreras Library Director

Conflict of Interest Code Resolution

DATE:

April 19, 2010

#### **BACKGROUND**

Under the Political Reform Act, all public agencies are required to adopt a Conflict of Interest Code. The Code designates positions required to file a Statement of Economic Interests, Form 700, and assigns disclosure categories specifying the types of interests to be reported. The Form 700 is a public document intended to alert public officials and the public to the types of financial interests that may create conflict of interest.

The Conflict of Interest Code for the Placentia Library District has not been updated. In addition, consultants working for the Placentia Library District are also required to complete the Form 700 and there are no documents for existing consultants in the District's files. Designees will file under two disclosure categories:

- OC-01 All interests in real property in Orange County, the authority or the District as applicable, as well as investments, business positions and sources of income (including gifts, loans, and travel payments). This category applies to the Library Board of Trustees, the Library Director, the Library Services Manager, the Human Resources/Finance Analyst, and Legal Counsel.
- OC-30 Consultants shall be included in the list of designated employees and shall disclose pursuant to the broadest category in the code subject to limitations. This category applies to current consultants for Placentia Library District including IT, legal, and financial consultants.

Attachment A is Resolution 10-08: A Resolution of the Placentia Library District of Orange County Adopting a Conflict of Interest Code Which Supersedes All Prior Conflict of Interest Codes and Amendments Previously Adopted.

SUBJECT: Review of Proposed Fiscal Year 2010-2011 Budget

**DATE:** April 19, 2010

#### **BACKGROUND**

At the April 15, 2010 Budget Work Session, the Library Director presented a proposed budget for Fiscal Year (FY) 2010-2011 for the Placentia Library District. The proposed budget of \$1,789,008 is based on an expected decrease in property tax revenue. It reflects a \$139,511 reduction based on the projected expenses for FY 2010-2011. The Orange County Assessor's office predicts a 2.37% decrease and the League of Cities estimates a 3.6% drop in property tax revenue.

The reduction consists of a 6% or \$38,712 reduction in expenses and an 8% or \$100,799 reduction in salaries and wages.

Attachment A is the Proposed Revenue Budget for FY 2010-2011.

Attachment B is the Proposed Expenditures Budget for FY 2010-2011.
