Call to Order

1. Preliminaries

President Keith Coolidge called the meeting to order at 7:35 a.m.

2. Review Minutes of April 6, 1999 Executive Committee Meeting Minutes approved as submitted

3. Financial Report

Treasurer Joan Finnegan reported a cash balance as of April 28, 1999 of \$4,156.17 and noted that the catering bill for the April 29 quarterly luncheon had not yet been received.

4. Critique of April 29, 1999 Quarterly Meeting

Members reported that the talk by former State Senator and County Supervisor Marian Bergeson had been well received. Mrs. Bergeson, who had been chair of the Local Government Committee while serving in the Senate, told luncheon attendees that special districts need to be flexible and willing to adapt to changes in the way they do business and receive funding from the state. Mrs. Bergeson now serves on the Commission on Local Governance for the 21st Century, and she noted that her fellow commission member John Schatz (SMWD) is doing an excellent job of advocating for the interests of special districts. She indicated the Commission members were aware that the best way to resolve issues is by doing so at a local level. She said they also were aware of the need to protect districts that rely on single sources of revenue, and that a single entity (i.e. city government) is not always best to determine the needs and resource allocations within a community.

5. LAFCO Matters

Arlene Schafer reported that the Commission had discussed the idea advanced by IDSOC of post-consolidation audits to determine how well consolidations are working and if the projected benefits had occurred. She indicated that an obstacle for the Commission was in funding these audits and that, if they were to occur, an additional fee might be levied through the original application process.

Arlene also reported that the LAFCO Legislative Committee had met with Senator Bill Morrow to discuss SB 1142. This bill requires cities and special districts to comply with Proposition 218 and its implementing statutes when local officials conduct proceedings for boundary changes that would impose or extend a new tax, assessment, or property-related fee to the affected territory. The Orange County LAFCO opposes this bill's provision that would apply the voter requirements of Proposition 218 to annexations of any size where an existing special tax or assessment is already effective in the annexing city. They state that, while seeking to

clarify the application of Proposition 218, this bill could substantially impact the efficient delivery of public services through impairment of annexations.

Arlene also noted that the Commission would hold a workshop on the proposed Santa Margarita incorporation at 7 p.m. Wednesday May 26 at St. John's Church in Rancho Santa Margarita.

6. CSDA Report

Russell Paris was not present to report.

7. Legislation

Keith Coolidge reviewed a list of 13 bills considered priority legislation that had been developed by ACWA [Attached]. He noted that CSDA had provided a lengthy list of the bills its was following and indicated he would work with CSDA's Sacramento advocate Ralph Heim to see if CSDA could provide a similar list of priority bills on which they wanted agencies to take positions.

The executive committee discussed five of the bills on ACWA's list that relate to special district administration, finance and contracting procedures and took the following positions:

AB 60 (Knox)	Overtime; Eight-hour workday	Oppose
AB 1195 (Longville)	Property tax shift	Support
AB 806 (Kelley)	Public contract retention proceeds	Oppose
AB 1504 (Margett)	Public contract termination	Oppose
SB 266 (Chesbro)	Public contract bidding practices	Oppose

8. Other Coments/Concerns

The committee discussed having special district members attend the monthly meeting of the Orange County Chapter of the League of California Cities. Keith Coolidge indicated he sometimes attends these meetings, which are on the second Thursday of the month. He indicated he would bring copies of the meeting notices to executive committee meetings.

9. Adjourn

The meeting was adjourned at 8:50 a.m.
