Discuss Centennial Renovation Facility Plan

DATE:

December 15, 2014

#### BACKGROUND

Library Director Contreras met with representatives from Fieldman, Rolapp & Associates, True North Research and TBWB Strategists begin discussion for the next steps towards a possible construction bond for the possible Centennial Renovation project.

It was recommended that the District begin discussing a vision for a facility plan for each of the four options:

- Renovate existing facility
- Renovate existing facility and expand single story construction
- Renovate existing facility and expand with a 2-story construction
- Renovate existing facility and expand with a 15,000 sq. ft. 2-story construction

At the December 1, 2014 Staff Development Day, district staff had an opportunity to provide their initial input with regards to the vision of the facility master plan. Feedback included:

- Community meeting room with seating for 200 people
- Dedicated study rooms and Quiet Area
- Private literacy area
- Separate dedicated computer labs for Teens / Adult / Childrens
- Meeting rooms on second floor addition
- Individual storage areas for each department
- Branding theme library décor around Placentia's history
- Dedicated room for storytime
- Bigger, open concept History Room to include staff office
- Outdoor reading garden
- More group study rooms
- Additional and keyless restrooms
- New outdoor bookdrop by All American Way lot entrance
- Acquire a dedicated Library vehicle/van/SUV
- Additional passport processing stations
- Café inside library
- Automated material handling system
- Drive through book drop
- Upgraded PA system
- New library entrance

This input will be critical for the communication strategists in preparing informational materials to inform our community members about the District's needs and priorities. The desired outcome is to begin polling the community in Spring 2015.

## RECOMMENDATION

Establish a Centennial Committee to include Library Trustees, staff, and selected members of the community to develop a list for the Centennial Facility Plan, inclusive of staff's feedback above.
