**BALLOT FOR PROPOSED HOLIDAY AND LIBRARY PUBLIC
SERVICE SCHEDULE 2007-2008**

_____ I vote to leave the Holiday and Public Services Schedule as listed in the Personnel Handbook.

_____ I vote to exchange the birthday floating holiday for the King Holiday.

Please write additional comments or feedback below:

We should receive the Martin Luther King Holiday in addition to the holidays that are currently entitled to us. There is no reason why we should trade this extremely important holiday for another. Even though there is not a large African American population in this area, Martin Luther King aside from being a very important figure in this nation's history did not only fight for the rights of African Americans but for all the people of this great country.

_____ I vote to exchange the birthday floating holiday for the King Holiday.

Please write additional comments or feedback below:

I think that it is an important message to the community for the Library Board of Trustees to recognize the Martin Luther King National Holiday. In my opinion this has nothing to do with the African American presence in Pleasanton and everything to do with the City Board's recognition of this iconic national leader in non-violent protest and human rights. Awarding this as a holiday should have nothing to do with horse-trading with the staff.

Please write additional comments or feedback below:

I think that the MLK holiday is important enough that we should be closed that day, especially since it is a federal and bank holiday. However, I don't think that we should have to give up another holiday for it, as many other government organizations have as many or more paid holidays as ^{adding} an extra holiday would bring us to. Thank you for your consideration in this matter.

I voted for the floating holiday because that was the only viable option. If the option to "vote for the King Holiday" without exchanging a floating holiday had been there, I would have voted for it. Most libraries in DC are closed on Sunday and still have 14-15 holidays. We should get 13 holidays!

Please write additional comments or feedback below:

I'm choosing my vote because this holiday would be of no special value to me - my husband has to work.

However I do see the value in our library being the same as what other libraries - MLK Day is a National Holiday and it would be good to be a part of this.

The King Holiday is celebrated by the Federal, State, and City - will should honor that, too.

PLACENTIA LIBRARY DISTRICT BOARD OF TRUSTEES

TO: Library Board of Trustees
FROM: Elizabeth D. Minter, Library Director *EDM*
SUBJECT: Cash Flow Analysis
DATE: July 16, 2007

BACKGROUND:

The Cash Flow Analysis for the General Fund for Fiscal Year 2006-2007 is Attachment A.

The Cash Flow Analysis for the General Fund for Fiscal Year 2007-2008 is Attachment B.

The Property Tax Apportionment Schedule for Fiscal Year 2006-2007 is Attachment C.

The Property Tax Apportionment Schedule for Fiscal Year 2007-2008 is not yet available from the Orange County Auditor/Controller's Office.

It is my opinion that Placentia Library District is in compliance with California Government Code Section 53646(b)(1) that requires that that the District have adequate balances and anticipated revenues to meet its expenditure requirements for the next six months.

I am recommending that no funds be transferred at this time.

RECOMMENDATION:

Receive & File the Cash Flow Analysis for Fiscal Year 2006-2007 through July 16, 2007, the Cash Flow Analysis for Fiscal Year 2007-2008 through July 16, 2007 and the Property Tax Apportionment Schedule for Fiscal Year 2006-2007.

New Fiscal Year Starts Without State Budget

The June 15 constitutional deadline for the Legislature to adopt the 2007-08 state budget was missed, with most legislators and budget watchers predicting the budget would be adopted by July 1, the start of the new fiscal year. The budget conference committee did, along party lines, adopt a budget conference committee report, but neither house has presented the report on either floor—mainly because it would not receive the necessary two-thirds votes needed for passage.

So, where are we? Following the mid-week 4th of July holiday, both the Senate and Assembly noticed "check-in" sessions for Thursday and neither will reconvene until Monday. Meetings are on-going between the Administration, key staffers and others, and the Governor hinted this week that he will convene a Big 5 meeting "in the near future."

Those same budget pundits that predicted an on-time budget are now predicting passage of the 2007-08 state budget before the Legislature's scheduled summer recess, which is scheduled to begin on July 20.

SB 343 Passes Assembly Local Government Committee

On Tuesday, July 3, Senate Bill 343, authored by Senate Local Government Committee Chair Gloria Negrete McLeod (D-Chino), passed the Assembly Local Government Committee on a 7 to 0 vote and now moves to the Assembly Floor.

SB 343 requires, on or after July 1, 2008, that any writing relating to an agenda item for an open session of a regular meeting of a local agency governing body that is distributed less than 72 hours prior to the meeting, be made available for public inspection at the time it is distributed to the members of the governing body.

During Tuesday's hearing, the League of California Cities indicated their support for SB 343—their prior position was neutral. Two letters of opposition were received by the Committee, one from the Association of California Health Care Districts and one from the CSAC Excess Insurance Authority. Neither organization appeared at the hearing.

CSDA remains in support of Senate Bill 343.

SB 619 Passes Committee Despite Opposition from Locals

Senate Bill 619, by Senator Carol Migden (D-San Francisco), passed the Assembly Business and Professions Committee on July 3 despite arguments from local government associations. Current law allows local governments to withhold up to 10 percent of the contract amount until a public works construction project is complete. This is a management tool local governments and agencies have to ensure a project is completed satisfactorily and timely, and in the case of a developer leaving, then the retained amount can be used toward the completion by another contractor.

SB 619 would mandate that the retention amount be lowered to no more than 5 percent. Despite CSDA, the California State Association of Counties and the League of California Cities arguing that this would weaken safeguards to protecting public funds by allowing for more delayed projects and lawsuits, and the fact that local governments can "ratchet down" the retention percentage to 5 or even 0 percent depending on the satisfactory job by the contractor, the bill moved from committee on a unanimous vote.

The bill now moves to the Assembly Appropriations Committee and then to the floor, but the more effective move would be to focus opposition on the governor's office. Previous attempts were vetoed.

State Budget Deadline Looms

As the start of the new fiscal year approaches, the budget watchers, who a couple of weeks ago boldly predicted an 'on-time' budget, then hedged their bets last week and predicted an on-time budget was 'possible,' have now gone silent. Legislative leaders, staffs and key Administration officials have continued to meet to discuss remaining differences between Democrats and Republicans. In past years the remaining sticking points were resolved by the governor and the four legislative leaders, the 'Big Five,' but early this week the governor indicated his desire for the Legislature to resolve the remaining issues and convene a Big Five meeting only for those issues still unresolved. Many suspect there will be a Big Five meeting soon ...

Senate Constitutional Amendment 12 Clears First Hurdle

On Wednesday, June 27, Senate Constitutional Amendment 12 by Senators Tom Torlakson (D-Antioch) and Leland Yee (D-San Francisco), passed the Senate Local Government Committee on a 3 to 1 vote, with one member absent. Senator Tom Harman (R-Huntington Beach) was the dissenting vote.

SCA 12 seeks to exempt new or increased stormwater and urban runoff management fees or charges from Proposition 218's voter approval requirements for property-related fees and charges. Currently, Proposition 218's election requirements do not apply to property-related fees for sewer, water, or refuse collection services.

SCA 12 is similar to a measure authored by then Assembly Member Harman in 2003. Senator Harman voted against SCA 12 and indicated that while he thought his measure to exempt stormwater and urban runoff management fees or charges was "appropriate" in 2003, he has changed his opinion, due in large part to his support for Proposition 218, and cast the lone vote against SCA 12.

SCA 12 will require a two-thirds vote on the Senate Floor, which will be difficult, at best, to attain. CSDA supports SCA 12.

Payment Retention Bill's Hearing Pushed Back, In Negotiations

The committee hearing Senate Bill 619 by Senator Carole Migden (D-San Francisco) has been pushed back, pending negotiations between the proponents of the bill and local governments associations, including CSDA.

Under current law, public agencies, including special districts, are allowed to withhold 10 percent of payments due to contractors on public works projects to ensure that a contractor does not walk away from a job near the end of completion. The retention amount helps local agencies manage a project, provides a fiscal incentive for the contractor to stay, and gives local governments some money to use to complete the project if the contractor leaves. This bill would lower this percentage from 10 percent to 5 percent, thus leaving special districts and others more vulnerable.

Last week, CSDA participated in a conference call with the author's office, the sponsor (the Sheet Metal and Air Conditioning Contractors' National Association), and opponents. It was raised that regulations already allow local agencies to lower the retention amount from 10 to 5 percent, or even lower, depending on the job quality of the contractors. The proponents are evaluating this language and may consider making it a requirement to lower the retention percentage (rather than an option), depending on a satisfactory job by the contractor.

CSDA opposed SB 619, but are also continuing in negotiations.

New Fiscal Year Near—Is the State Budget?

With the start of the new fiscal year rapidly approaching, the Budget Conference Committee continues to meet, albeit slowly at best, closing out numerous items with the more controversial issues left to the legislative leaders and governor. The word is the Republican leaders want

all of the new expenditures added by the Budget Conference Committee deleted and the opportunity to review all of the implementation language for the infrastructure bonds passed last November before the language is amended into various bills. Budget watchers still believe the state budget will be adopted before July 1, but a number of the more seasoned budget watchers are beginning to hedge their bets—stay tuned.

State Budget Deadline Missed—Again

June 15 is the constitutional deadline for the Legislature to pass the state budget. For the 2007-08 budget, that did not happen—again. The Budget Conference Committee has been meeting and still has a number of major issues remaining to resolve. In addition to the conference committee, numerous meetings between the legislative leadership and the Administration are continuing and a 'Big 5' meeting between the governor and legislative leaders will likely occur in the near future. Most capitol budget watchers remain convinced a 2007-08 state budget will be passed and signed by the governor on or before the start of the new fiscal year July 1.

Constitutional Amendment Proposes Proposition 218 Exclusions

Senate Constitutional Amendment 12 by Senators Tom Torlakson (D-Antioch) and Leland Yee (D-San Francisco) would add stormwater and surface water drainage to the exceptions contained in Proposition 218 regarding voter approval requirements for the imposition or increase of a property-related fee or charge. The existing exemptions include sewer, water and refuse collection services. SCA 12 is scheduled for June 27 in the Senate Local Government Committee and will draw strong opposition from the Howard Jarvis Taxpayers Association. CSDA supports SCA 12.

Flood Liability Bill Amended

Assembly Bill 70 by Assembly Member Dave Jones (D-Sacramento), a bill that would require local jurisdictions to contribute their share of the property damage caused by a flood, has been amended. In the latest version 'local public entity' was removed and 'city' and 'county' were explicitly written in, essentially meaning special districts have been removed from the bill. As a result of the amendments, the CSDA Legislative Committee decided to change its position on the bill from Oppose to Watch.

Bill Proposes Change in Public Contract Retention Rates

Senate Bill 619 by Senator Carole Migden (D-San Francisco) requires that contract retention proceeds not exceed 5 percent of the payment of all contracts entered into after January, 2008, between a public entity and an original contractor, between an original contractor and a subcontractor, and between all subcontractors. These provisions would also apply to the state.

SB 619 also makes it explicit that under no circumstances shall any of the above provisions be construed to limit a public entity's ability to withhold 150 percent of the value of any disputed amount of work from the final payment or in the event of a good faith dispute, nothing shall be construed to require a public entity to pay for work that is not approved or accepted in accordance with the proper plans or specifications.

SB 619 is sponsored by the California Association of Sheet Metal & Air Conditioning Contractors' National Association and supported by many contractor groups. The bill is pending in the Assembly and CSDA is opposed to Senate Bill 619.

RE: News From the Capitol

I. BUDGET STALEMATE - LEGISLATIVE LEADERS CLAIM TO BE "FAR APART"

Several weeks ago, the powerful six member Budget Conference Committee, who is charged with reconciling the differences between the Governor's Budget, the Senate Version of the Budget, and the Assembly Version of the Budget, concluded their work. While the Conference Committee was able to act upon several hundred pages of Budget action items in its 300 page binders, they were unable to bring about decisions on some of the outstanding issues in the larger Budget debate. The large-scale decisions now fall to the legislative leaders who are termed, "The Big Five." The "Big Five" consists

of Governor Schwarzenegger, Senate President pro Tem Don Perata, Senate Republican Leader Dick Ackerman, Assembly Speaker Fabian Nunez, and Assembly Republican Leader Mike Villines. As you are aware, the state began its fiscal year without a Budget on July 1, and leaders are now locked in a debate over how to deal with the state's "structural deficit" which is projected to be around \$5 billion next year. Republicans want to reduce the deficit by bringing expenditures more in line with revenues, which necessitates Budget cuts. Democrats, on the other hand want to protect important proposals such as funding for education, health and welfare, and the correctional system.

The "Big 5" convened a meeting yesterday, which did not produce any further movement. In fact, Assembly Republican Leader Mike Villines told the Sacramento Bee, "We are \$2 billion apart." Assembly Speaker Fabian Nunez is warning leaders to be ready to sacrifice part of the legislature's summer recess if a deal is not made on the state Budget by July 20.

You will recall that the Budget Conference Committee approved a \$1 million augmentation to the Public Library Foundation (PLF), which, while not significant in its dollar amount, was seen by many in the legislature as a "symbolic move" to indicate the importance of the program during a tight Budget year. If the Governor approves the \$1 million augmentation when he signs the 2007-08 Budget, the baseline figure for the PLF will be

\$22.3 million.

II. AB 1030-CABALLERO: LITERACY PROGRAMS FOR AT-RISK YOUTH

AB 1030 by Assemblywoman Caballero, the former Mayor of Salinas, is part of a multiple bill package that she has titled her "Gang Prevention Kit" in order to assist at-risk youth. Specifically, AB 1030 would expand the California Library Literacy and English Acquisition Services Program to services targeted to young adults, 16 years of age and over, who are not enrolled in school. The program would allow these youths to receive adult basic literacy tutoring and related services. Recent research by the State Library indicates that only 618 youths, ages 16-19 were served by this program in 2005-06. The author believes this bill will create a better sense of awareness regarding the need to serve this critically underserved population.

CLA is in support of the measure, which recently had a hearing in the Senate Education Committee. The Education Committee Consultant recommended amendments that would strike language requiring that private fund contributions for the program be maintained at the same level as the year prior. The analysis states, "While it seems reasonable to require the local jurisdiction demonstrate a continuing fiscal commitment in order to access state funds, current law also requires a commitment regarding private funds. Regardless of the effort exerted, a local jurisdiction may not be in a position to compel private donations, contributions, or grants. Is it reasonable to hold a local jurisdiction responsible for maintaining the provision of private funds over which it has no control? Staff further recommends that the certification regarding maintenance of the level of private support be deleted from current law." The author agreed to accept the consultant's recommendations.

Earlier in the year, the author had been hopeful that she could secure a \$2 million appropriation for the bill. However, due to the state's difficult fiscal climate, the bill does not contain additional funding, but rather, asks that the program be funded using existing resources within the current program. It is the author's intent to seek funding for the at-risk youth literacy program in future years.

The measure will be heard in the Senate Appropriations Committee on Monday, July 16. If you have an interest in AB 1030-Caballero, please contact the Chair and Vice Chair of the Committee via phone to indicate your support.

BUDGET CONFERENCE COMMITTEE APPROVES AN ADDITIONAL \$1 MILLION FOR PUBLIC LIBRARY FOUNDATION

Yesterday afternoon the powerful six member Budget Conference Committee met to consider approximately 100 remaining items that have yet to be finalized as part of the State Budget negotiations. You will recall from our previous memos that the Budget Conference Committee is charged with reconciling the difference between the Senate Version of the Budget, the Assembly Version of the Budget, and what the Governor proposed in his January Budget and May Revision. On Tuesday, the Conference Committee voted to augment the Public Library Foundation by \$1 million, which, if approved by the Governor when he signs the Budget, would bring the PLF total baseline to \$22.3 million.

Almost one month ago, Senators Joe Simitian and Jack Scott, as members of the Senate Budget Subcommittee on Education Finance, approved a \$2 million augmentation to the PLF and forwarded their recommendation to the Budget Conference Committee. The Assembly Budget Subcommittee suggested no increase to the PLF baseline, which forced the PLF issue into Conference Committee to be resolved. Due to the state's tight fiscal condition right now (primarily due to a dip in personal income tax receipts and the lagging housing market), we knew it would be a challenge even to hold on to the \$2 million augmentation.

On June 1 the Conference Committee began meeting regularly, and would attempt to "close" items where there was consensus. The first time the conferees addressed the PLF item, Budget Conference Committee Co-Chair Assemblyman John Laird asked if action on the item could be deferred. Senator Denise Ducheny, the other Co-Chair of the Conference Committee then added, "That is fine, but I would like to speak to this. This is particularly frustrating for us (the Senate). In the 1990's we were working to get the fund up. We were at \$56 million in 2000, and then we were back down to \$21 million last year. This is not helpful to the folks in our communities who are trying to learn to read. We have been creeping back up in recent years, but I want to make some progress here." The Conference Committee passed on the item and it was tabled until June 13. On

June 13, the conferees again tried to close the item but were not ready yet, and hinted at "splitting the difference" between the two houses, which would be \$1 million. Then yesterday the conferees again raised the issue of funding for the PLF with the Chair announcing that the committee was prepared to reduce the Senate Version by \$1 million and leave a \$1 million augmentation for the fund. Senator Dennis Hollingsworth asked the Department of Finance, "What is in the Governor's May Revise?" The representative for Finance responded, "The base for the program is \$21.3 million. We didn't provide funding beyond the base." The Conference Committee then moved to approve the \$1 million augmentation and it passed with all four Democrats voting "aye" and the two Republican members voting "no."

The Conference Committee is currently unable to close the remaining large scale items before them which include funding for Proposition 98, discussion on several major water issues related to the water bond implementation, as well as prison reform/corrections. The so-called "Big 4," consisting of Assembly Speaker Fabian Nunez, Senate President pro Tem Don Perata, Assembly Republican Leader Mike Villines, and Senate Republican Leader Dick Ackerman, met yesterday to try to come to agreement on the major areas of contention. Also clouding the discussions is the need to address how the tribal compacts, that were previously approved by the Governor, will be implemented, as union groups are demanding that provisions to allow for the protection of casino workers be included in the compacts. Rumors abound that there may be a push for a resolution soon on all of these items so that a Budget could be on the respective Floors of each house by the June 30th deadline.

Re: A New Statewide Reference Model

Ever since the California reference service focus groups were held in the summer of 2005, I have been thinking about next steps for second-level reference in California. While I'm aware that not all participants in those focus groups were satisfied with the way the discussion was structured, one point reported by the focus group facilitators, Sandra Nelson and Diane Mayo, really resonated with me and apparently struck a chord with the participants as well: the belief that

"Participants in all groups agreed that by 2015 second-level reference services as they are configured now will have been replaced by a centralized reference service that will provide a seamless interface for the client. The only issue open to discussion was how soon this would happen..."

I was heartened to see how everyone agreed that second-level reference centralization was going to happen, one way or the other. The concept was further validated in the focus groups on CLSA cooperative system services conducted and facilitated by Maureen Sullivan later in 2005. One recommendation emerging from those discussions was

"Investigate the feasibility of making Reference a statewide program."

I knew that the CLSA system reference centers were not functioning in the same way they did when they were originally created. Questions had declined over 50% in ten years. The availability of instant access to information had radically

changed for the consumer, and the library was just one of many potential sources to consider. Some reference centers had disappeared and systems were contracting for second-level reference service. Some systems were spending their CLSA reference allocation on training and other reference-related activities as much as or more than question answering. It was time for a change.

One of the big questions to my mind was whether we could adapt or evolve the current regional approach to second-level reference into a statewide program or would we have to start anew? Likewise, if it was to be completely or partially a virtual service, would we look at AskNow as the base upon which to expand?

I decided that my staff and I and you, the library stakeholders throughout the state, needed outside, impartial, professional assistance. With the help of LSTA grant funds, in 2006 we were able to procure the services of Ruth Metz, an independent consultant based in Portland. Ruth had a background with CLSA but had been out of the state for several years. I asked Ruth to review all of your comments and suggestions from the two sets of focus groups, to look anew at the current condition of CLSA second-level reference throughout the state, and to develop a plan for developing a new CLSA reference model. The scope of work prepared by Ruth can be found at

www.library.ca.gov/assets/acrobat/NewRefModel.pdf

Ruth has been working on the plan since last October, doing more background research, interviewing service providers, expert informants, and consultants and developing a new reference model scenario, all the while working very closely with my staff and myself. In April she presented a slide presentation of the result of her work to date to the Library of California Board, introducing a model of a CLSA virtual centralized reference portal accessible to both the public and librarians that was built on the strength of the best of the current CLSA reference model. She also gave the Board a background summary of the project. Updated versions of both of these documents – the slide presentation and the background summary – are available at

<http://www.library.ca.gov/assets/acrobat/CARefDesign.pdf>
<http://www.library.ca.gov/assets/acrobat/CARefBkgnd.pdf>

Ruth has since produced a concise description of the proposed statewide reference design; it is available on the State Library's website at

<http://www.library.ca.gov/assets/acrobat/RefDesign.pdf>

I urge you to read this document, and then, I would like to hear from you. I am interested in seeing your suggestions about how this could occur in your CLSA cooperative system. How would this approach to statewide reference impact your system's current reference operations as well as your own library's

reference service? Do you have ideas about how this plan could be implemented?

I would like all of us to begin moving forward with this concept. We will begin recruitment for a statewide reference project manager with the goal of having that person on board by the end of this summer. We anticipate that one of the many duties of the project manager will be to travel to the CLSA systems to talk to you about current system reference services and how a new statewide second-level reference plan could be implemented. We also will undergo a thorough review of the law and system reference plans. I am committed to having a prototype model ready in spring of 2008. Yes, it's an aggressive timeline, but we need to jump-start the reference evolution now!

Please email your questions, comments, and suggestions for implementation to Rush Brandis of my staff at rbrandis@library.ca.gov. I want to emphasize that while this is far from being a done deal and that some elements may change, I do see it as the path we should take and I look forward to your help and guidance.

Stephen Abram
Sirsi-Dynix Users Group, Newport Beach Public Library
June 2007

Can we articulate how the Library is different from Google?

-  Promote the fact that Library databases are not subject manipulated by search engine optimizers.
-  By this Fall Google will be the default search optimizer tied to local zip codes.
-  80% of teens have My Space accounts – does Placentia Library have one?
-  Most under 30's have instant message accounts – does Placentia Library have one?

What matters most to public library users

-  Community
-  Learning – only 20% are text-based learners, more are visual learners
-  Interaction with staff

[In promoting themselves public libraries need to stress that clients/customers are going to learn and that they are going to be part of the community.]

How are you going to deal with a world where the use is virtual? Or are you planning to serve only those who don't use computers?

-  Librarian's core skill is not delivering information – librarians improve the quality of the question and the user experience.
 - Libraries need to improve the portal to portal experience of users.
 - Are you ready to serve the PDA/cell phone user
 - Text messaging
 - Metadata oriented
 - XML oriented portals
-  Librarians must learn that when we study something to death, death was not our original goal.

What Stephen foresees:

-  Google dominance as the search authority
-  Global change – greater emphasis and participation by China, India, Europe, Mid and Eastern Asia
-  U.S. Debt changes (\$1 Trillion oil deficit is impacting everything globally)
-  Major technology shifts (PDA, broadband) (In Europe the average child has 1.2 cell phones)
-  Millennials are learning – thinking skills, not factual knowledge.
-  Stock Market change is coming faster than ever

Specific things to watch for identified by Sirsi Dynix

-  PDAs are changing our world – an e-paper society
-  Virtual wireless keyboards (projecting keyboard on a flat surface – the Library has just ordered its first one for demonstration purposes)
-  Google phone
-  Projector the size of a sugar cube (Phillips)
-  eReader from Sony – 25% of Shanghi residents are already using this.
-  Credits card with full web browser on it
-  Everything is getting smaller – needs XLL on the portals which senses the device that it is going to.
-  Virtual branch libraries

Advice from Stephen

-  Go XML for personal devices – you need to allow users to go where they want to go – how do you build community interactive paths? – what is the intensity of your home page – you can't make it too simple
-  Understand JSR168, Portlets and RSS – what are you going to do when there are 250,000,000 books online – in less than 4 years with the non-fiction coded to chapter & paragraph level
 - “why” and “how” are still questions that need to be answered & interpreted.
 - “what”, “where”, “who”, “when” can be answered by Google
-  Get on the Visual, Open URL & Fed Search wagon
-  GPS & Broadband – get with it
-  Be Library 2.0 – interact and relate – use Myspace
-  Get Social – 10 most influential web tools for the 2008 Presidential Election
 - You Tube
 - Second Life
 - My Space
 - Free Brush
 - Wikipedia
 - Ninig
 - Throttle
 - Mozes
 - NowPubli
 - MyBlogLab

Reorganize – using instant messaging

- Penn State University
- New Zealand
- Thomas Ford Memorial Library

Get familiar and conversational about

- Learning 2.0 (see Charlotte/Mechlenburg County (NC) Web Site)
- Blogging
- Photos & images
- RSS & newsreaders
- Librarian Trading Cards at MySpace or Bacebook
- Tagging, Folksonomic & Technorati
- Wikis (reciprocal mentoring)
- Podcasts, video & downloadable audio

Build a “Petting Zoo” for staff to experience new media

- Ipods
- Mp3 players
- Video
- Smart phones
- Wireless keyboards (including virtual)
- Streaming media
- IM groups

SUBJECT: **Placentia Library Literacy Services (PLLS) Activities Report for the month of June.**

Tutor Training. There was no tutor training workshop in June.

Placentia Rotary Reading Enrichment Program (PRREP).

The PRREP Clubs at El Dorado High School and Valencia High School ended in late May. We had more than 100 PRREP tutors this past school year.

Update on the three off-site PLLS homework clubs. Both the Topaz-Tuffree Homework Club at Topaz Elementary School and the Homeless Intervention Shelter (H.I.S. House) Homework Club were tremendously successful last school year. Both of them started again this school year on September 18. The Kraemer-Placentia Library Homework Club started on October 30 and has been very successful. All homework clubs are on hold until September 2007.

English Language and Literacy Intensive (ELLI) Program Update. ELLI started again this school year in late September. We were active at three elementary schools--Ruby Drive, Topaz, and Tynes--and we had a total of seventeen tutors working with more than 200 grade school students. Elli is through for the summer and will begin again in the fall.

Federal Work Study (FWS). Our FWS partnerships with Financial Aid at Cal State Fullerton and with Western State University College of Law this FY have been very strong. We have already renewed our FWS contract with Western State for FY 2007/08.

Library Literacy receives a Draper Family Foundation Grant. On June 5, Camille Himes and I received a \$10,000 grant from the Draper Family Foundation. This grant program is administered by the Orange County Community Foundation, the first time in recent years that the Library has received a grant handled through them.

Literacy statistics. See Agenda Item 34 Pages 2 of 3, and 3 of 3.

- There were two Program Committee meetings during the month.
- Special library displays included the on-going Placentia Round Table Women's Club Bicentennial quilt. There was also a book display about genealogy. On one side of the trough we featured books about grilling, including webliographies/bibliographies to celebrate National Culinary Arts and Grilling Month. On the other side we included our new Playaways. These recorded books come in MP3 players smaller than a pack of cigarettes; about 1/3 of the titles were already reserved when the display went up. Their convenience should make them very popular. Patrons will only need to supply earphones, and can enjoy listening on their home computers, in their cars, or simply by plugging in to the players.
- David Baumann presented a program called "Series Fiction" that attracted 17 enthusiastic fans of this genre on Monday, June 11. The library offered a bibliography/webliography and Mr. Baumann distributed a timeline. He later invited patrons to select from a table of books and fan magazines he had brought. His talk concentrated on series fiction for children and young people, reflecting on the changes that have come with the years, the genuine authors of many of the books, and why this type of literature has always been popular. He mentioned he had done a similar program here several years ago that had drawn only four people, so he was pleased with the turnout. Dixie Shaw acted as hostess for the evening.
- Upcoming confirmed programs include "Genealogical Database Help" on Tuesday, September 18, presented by Caroline Rober from the Genealogical Society of North Orange County California (GSNOCC); "Animal Care" on Thursday, October 25, with Dr. Paul Evans; "Mastering Midlife" with Dr. Jerry Binder on Monday, November 5; and "True Stories and Other Lies", with Dr. Joseph Arnold, date still to be determined, in January.

History Room visitors in June: fiscal year: 2007-2008: 6

The Placentia Library Friends Foundation has approved a proposal to have a celebration of local authors on Heritage weekend. The date for the celebration is October 14th.

Volunteer Larry Cummings continues the organization of photographs and negatives for the History Room collection. The One-Stop agency has reduced his hours to 20 per week. We have expressed our concern about this measure.

Books continue to be ordered and added to the History Room's collection. A new local author, Joann de Matteo has given us a copy of her book, Cranberry Lake, for the local author display.

Local high school yearbooks for the past school year have been obtained for the History Room, thanks to the continuing concerted efforts of Pat Irot. Pat Jertberg and Marie Schmidt continue their work in organizing, filing and cataloging materials that constantly come to the History Room's attention.

Work continues on the new History Room brochure being prepared by Deniene Husted in conjunction with the History Room committee.

For Placentia, the train's blast is past

Quiet zone designation earns the city some respite from blaring alerts of passing trains.

By DAVID REYES
Times Staff Writer

It's been a rough few years in Placentia, an old railroad town that dreamed of carving out trenches for the trains to eliminate the need for engineers to sound their horns as they rolled through town.

After \$55 million spent and a near municipal bankruptcy, the trench plans withered and died

and two former city leaders were indicted on criminal charges.

Now there's some good news around the bend.

The city has upgraded its railroad crossings and, next week, Placentia will become one of the first cities in Southern California to be designated a quiet zone, which means engineers won't have to sound horns.

"I think it will be a blessing for our city," said Mayor Constance Underhill. "We have been plagued with more trains that blow their horns going through our city that it has become a big quality-of-life issue for our city."

Barring last-minute hitches, the zone's first day will be the

IN THE ZONE: The railroad corridor through Placentia will become less noisy July 4, when trains will stop blowing their horns.

Fourth of July, prompting Underhill to quip: "Great, we get loud booms in the evening but hopefully no train whistles at night."
Placentia and Riverside are

among six California cities with quiet zones.
The 3 1/2-mile zone runs from Kellogg Drive on the east to Kraemer Boulevard on the west.

ROLLING ALONG: The Melrose Street underpass, constructed as part of Placentia's ill-fated OnTrac project to rebuild the Burlington Northern, Santa Fe corridor, allows vehicle traffic to flow.

Placentia likes the sound of quiet zone

[Trains, from Page B1] and touches Anaheim and Yorba Linda.

Trains will go through eight crossings that have been upgraded with additional gates, new sidewalks, synchronized traffic signals and other measures to block cars and pedestrians from entering the right-of-way.

Engineers are required to sound their horns — three long and two short blasts — 1,000 feet before reaching a railroad crossing unless a municipality has applied for a quiet zone status and made improvements to intersections, rail officials said.

More than 60 trains daily carry cargo through Placentia from the ports of Los Angeles and Long Beach.

That number is expected to triple by 2020.

The process has taken six years but had the cooperation of Burlington Northern Santa Fe railroad, which owns the corridor, said railroad spokeswoman Lena Kent.

"We have notified our engineers to not blow the whistle beginning on July 4," Kent said.

Engineers of both freight and passenger trains will still have discretion to sound the horn in case of emergency, said Denise Tyrrell, a Metrolink spokeswoman.

"People who live in the nearby neighborhoods need to understand the level of quiet will depend on the behavior of drivers and pedestrians," she said.

Pedestrians who walk across the right-of-way and drivers who ignore the gates leave engineers with few options but to blast the train's horn, she said.

"You can get out of the way, he can't," she said.

The city accomplished its mission by shelving the controversial OnTrac trench plan, a \$650-million project that drained

municipal coffers before its demise about three years ago.

That plan would have rebuilt the Burlington Northern corridor through the heart of Old Town Placentia.

With a trench running for miles, the thinking was that engineers wouldn't have to sound their horns, traffic wouldn't pile up at intersections to wait for passing trains, and the bulky boxcars no longer clutter the city's historic Old Town district.

But the project derailed several years ago because of a \$12-million shortfall in state grants, a stable of high-cost consultants and uncertainty over federal funding.

To keep the project going, officials mortgaged city property, auctioned parking, cut services and sold \$22 million in bonds.

Then two former city officials, OnTrac Executive Director Christopher Becker and City

Manager Robert DiAmato, were indicted on felony conflict-of-interest charges in Orange County Superior Court.

They have denied the allegations. Their trial is scheduled for October.

City activist Craig Green, who co-founded Citizens for a Better Placentia, acknowledged the black eye OnTrac has meant for the city.

Under OnTrac, the city spent \$18 million for the Metrose Street underpass and to buy private property to make room for the project.

The new zone, by comparison, cost the city \$8.5 million, which brings the price for Placentia's railroad work to more than \$70 million, Green said.

"Getting the quiet zone has been an unbelievable blessing," he said. "It's something the city fought for a long, long time."

PLACENTIA LIBRARY DISTRICT BOARD OF TRUSTEES

TO: Library Board of Trustees

FROM: Elizabeth D. Minter, Library Director *EDM*

SUBJECT: **Legislative Issues and a Review of the Status of the State Budget and State Library Budget**

DATE: July 16, 2007

BACKGROUND

Agenda Item 25 contains information about current legislation affecting independent special districts and libraries.

The State Budget has still not been adopted and there seems to be no movement on it at the present time. The last report that the District received from the California Library Association indicated that there may be an increase in the Public Library Foundation Fund allocation.

There have been no requests for legislative action received during this report period.

The Trustees may report on any contacts they have had with Federal, California or Orange County Legislators.

RECOMMENDATION

Action to be determined by the Library Board of Trustees.

PLACENTIA LIBRARY DISTRICT BOARD OF TRUSTEES

TO: Library Board of Trustees

FROM: Elizabeth D. Minter, Library Director *EDM*

SUBJECT: Approve contract with MuniFinancial in the amount of \$10,500 to complete the developer fee process.

DATE: July 16, 2007

BACKGROUND

At its Work Session on June 28, 2007 the Library Board of Trustees reviewed a proposal from MuniFinancial regarding the preparation of the Impact Fee Documentation for Placentia Library District as described in its MuniFinancial Revised Proposal to the Placentia Library District, Impact Fee Documentation for Library Facilities dated June 18, 2007. The amount quoted for this work is \$10,500 plus the cost of any additional engineering analysis/expertise and associated development projections to identify new facilities or update facility cost estimates.

The Library Board needs to determine whether to proceed with its developer fee process and whether to hire MuniFinancial to be its consultant.

RECOMMENDATIONS

1. Approve contract with MuniFinancial in the amount of \$10,500 to complete the developer fee process.
2. Authorize the Library Director to sign all contract documents with MuniFinancial on behalf of the Library Board of Trustees.

PLACENTIA LIBRARY DISTRICT BOARD OF TRUSTEES

TO: Library Board of Trustees
FROM: Elizabeth D. Minter, Library Director 
SUBJECT: Establish the Holiday and Library Public Service Schedule for Calendar Years 2007 and 2008, and Adopt by Resolution 07-09.
DATE: June 18, 2007

BACKGROUND:

This item was on the Agenda for the May 29, 2007 Library Board of Trustees Meeting and was deferred until the June 18, 2007 Meeting.

This item was on the Agenda for the June 18, 2007 Library Board of Trustees Meeting and was referred back to staff so that statistical information could be provided on the Library attendance on the Saturdays of Monday holiday weekends (President's Day, Memorial Day and Labor Day), and so that staff could be surveyed on their willingness to exchange an existing holiday for Martin Luther King Day.

The Attendance information for Monday Holiday weekends is Attachment A.

The staff responses to the survey regarding the Martin Luther King Holiday are included in Attachment B.

The District's Holiday and Library Closure Schedule is based upon the 12 holidays specified in the Placentia Library District Policy 2030. (Attachment C)

Past practice is that the Library is closed on Easter and the Sunday preceding Monday holidays. These are not paid holidays for the staff and require adjusting the work schedule or use of vacation time.

Staff is recommending that the Library Board consider closing the Library on the Saturday of holiday weekends. These would not be paid holidays for the staff and individuals would need to either take time without pay or use vacation time.

Staff is also recommending the addition of a staff holiday for Martin Luther King Day on the third Monday in January, and that the Library be closed on the Sunday preceding this holiday.

Attachment D is the Proposed Holiday and Public Service Calendar for Calendar Years 2007 and 2008.

Attachment E is Resolution 07-09, establishing the Placentia Library District Holiday Schedule for Calendar Years 2007 and 2008.

RECOMMENDATIONS:

1. Determine whether or not to close on the Saturday preceding a Monday holiday.
2. Determine whether or not to add Martin Luther King Day to the list of staff holidays, and whether or not to close the Library on the Sunday preceding Martin Luther King Day.
3. Finalize the Holiday and Public Service Calendar for Calendar Years 2007 and 2008.
4. Read Resolution 07-09 by Title only: A Resolution of the Board of Trustees of the Placentia Library District of Orange County to Establish the Holiday and Library Closure for Calendar Years 2007 and 2008.
5. Adopt Resolution 07-09.

Comments/feedback from staff:

- Placentia Library needs to give the staff equal rights and opportunities the same way other companys have for their employees. I vote for all holidays.
- I think that it is an important message to the community for the Library Board of Trustees to recognize the Martin Luther King National Holiday. In my opinion, this has nothing to do with the African American presence in Placentia and everything to do with the Library Board’s recognition of this iconic national leader in new violent protest and human rights. Awarding this as a holiday should have nothing to do with horse-trading with the staff.
- Martin Luther King Holiday should be an addition.
- I would like to get all the holidays.
- I think that the MLK holiday is important enough that we should be closed that day, especially since it is a federal and bank holiday. However, I don’t think that we should have to give up another holiday for it, as many other government organizations have as many or more paid holidays as adding an extra holiday would bring us to. Thank you for your consideration in this matter.
- We should receive the Martin Luther King Holiday in addition to the holidays that are currently entitled to us. There is no reason why we should trade this extremely important holiday for another. Even though there is not a large African American population in this area, Martin Luther King aside from being a very important figure in this nations history did not only fight for the rights of African Americans but for all the people of this great Country.
- I vote for Martin Luther King Day, as well all the holidays.
- We should get the 13 holidays.
- Recognition of the King Holiday should not have anything to do with trading.
- I vote to add an additional holiday on MLK Day.
- I voted for the floating holiday because that was the only viable option. If the option to “vote for the King Holiday” without exchanging a floating holiday had been there, I would have voted for it. Most Libraries in O.C. are closed on Sunday and still have 14-15 holidays. We should get 13 holidays!
- I vote to keep the birthday floating holiday and add the King Holiday to the list.
- I’m choosing my vote because this holiday would be of no special value to me - my husband has to work. However, I do see the value in our library being the same as most other libraries – MLK Day is a National Holiday and it would be good to be a part of this.
- The King Holiday is celebrated by the Federal, State, and City – we should honor that, too. It would have been nice to have the King Holiday ADDED instead of exchanged.

Mr. Al Shkoler

Placentia Library District
411 East Chapman Avenue
Placentia, California 92870-6198

Dear Mr. Shkoler;

We are writing to ask for your agency's approval of the enclosed proposed amendments to the Special District Risk Management Authority Joint Powers Agreement.

The California Special Districts Association (CSDA) endorses the proposed amendments to the Special District Risk Management Authority (SDRMA) Joint Powers Agreement (JPA). The CSDA Board of Directors and the SDRMA Board of Directors encourage your agency's governing body to vote "aye" on the amendments.

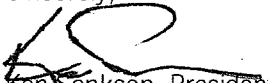

Since SDRMA's inception in 1986, there has been a provision in the JPA that specified, in addition to the CSDA membership dues, SDRMA would pay an annual administrative fee to CSDA. The annual amount paid to CSDA is calculated on 1% of the member's net annual premium. Now that both CSDA and SDRMA have grown into strong, highly developed organizations the time has come for the JPA to reflect this important change. The JPA amendment that is being proposed and recommended would eliminate the administrative fee payment provision to CSDA.

The amendment is in the best interest of the membership of both organizations and moves the organizations toward a definable fee for service business approach that will strengthen our collective commitment to provide our members with the highest quality programs, delivered in the most cost-effective manner.

It is important that you, as a participating member, be able to exercise control of the program through the JPA and SDRMA's Board of Directors. Accordingly, please vote in favor of the proposed amendments. On behalf of the Board of Directors of CSDA and SDRMA we want to thank you for your agency's membership in our programs and for your timely response.

Thank you.

Sincerely,

Ken Sonksen, President
SDRMA Board of Directors

Sincerely,

John R. Fox, President
CSDA Board of Directors

WHEREAS, California Government Code Section 6500 *et seq.* (the "Act") provides that two or more public agencies may by agreement jointly exercise any power common to the contracting parties; and

WHEREAS, California Labor Code Section 3700(c) permits pooling by public agencies of self insurance for Workers' Compensation liability; and

WHEREAS, California Government Code Section 990.4 provides that a local public entity may self-insure, purchase insurance through an authorized carrier, purchase insurance through a surplus line broker, or any combination of these; and

WHEREAS, California Government Code Section 990.8 provides that two or more local entities may, by a joint powers agreement, provide insurance for any purpose by any one or more of the methods specified in Government Code Section 990.4; and

WHEREAS, the parties to this Agreement desire to join together for the purposes set forth in Article 2 hereof, including establishing pools for self-insured losses and purchasing Excess or Re-Insurance and administrative services in connection with joint protection programs (the "Programs") for members of the California Special Districts Association ("CSDA"); and

WHEREAS, it appears economically feasible and practical for the parties to this Agreement to do so; and

WHEREAS, the Members have previously executed that certain Fifth Amended and Restated Joint Powers Agreement (the "Original JPA"), which Original JPA the Members desire to amend and restate by this Agreement; provided that such amendment and restatement shall not affect the existence of the Authority; and

Article 2. Purposes. This Agreement is entered into by the Members pursuant to the provisions of California Government Code section 990, 990.4, 990.8 and 6500 *et seq.* in order to provide, subject to the provisions of the Coverage Documents, economical public liability and workers’ compensation coverage, or coverage for other risks which the Board of Directors may determine.

Additional purposes are to reduce the amount and frequency of losses, and to decrease the cost incurred by Members in the handling and litigation of claims. These purposes shall be

accomplished through the exercise of the powers of such Members jointly in the creation of a separate entity, the Special District Risk Management Authority (the "Authority"), to establish and administer Programs as set forth herein and in the Bylaws.

It is also the purpose of this Agreement to provide, to the extent permitted by law, for the inclusion, at a subsequent date, and subject to approval by the Board of Directors, of such additional Members organized and existing under the laws of the State of California as may desire to become parties to the Agreement and Members of the Authority.

Article 3. Parties to Agreement. Each party to this Agreement certifies that it intends to and does contract with all other parties who are signatories to this Agreement and, in addition, with such other parties as may later be added as parties to and signatories of this Agreement pursuant to Article 18. Each party to this Agreement also certifies that the withdrawal from or cancellation of membership by any Member, pursuant to Articles 19 and 20 or otherwise, shall not affect this Agreement nor such party's intent, as described above, to contract with the other remaining parties to the Agreement.

Article 4. Term of Agreement. This Agreement shall become effective as to existing Members of the Authority as set forth in Article 33 hereof. This Agreement shall continue thereafter until terminated as hereinafter provided. This Agreement shall become effective as to each new Member upon: (i) approval of its membership by the Board of Directors, (ii) the execution of this Agreement by the Member, and (iii) upon payment by the Member of its initial Contribution for a Program. Any subsequent amendments to the Agreement shall be in accordance with Article 27 of this Agreement.

Article 5. Creation of Authority. Pursuant to the Act, there is hereby created a public entity separate and apart from the parties hereto, to be known as the Special District Risk Management Authority. Pursuant to Section 6508.1 of the Act, the debts, liabilities and obligations of the Authority, including but not limited to, debts, liabilities and obligations of any of the Programs shall not constitute debts, liabilities or obligations of any party to this Agreement or to any Member or Former Member.

The Authority is not an insurer, and the coverage programs offered by the Authority do not provide insurance, but instead provide for pooled joint protection programs among the members of the Authority. The Joint Protection Programs offered by the Authority constitute negotiated agreements among the Members which are to be interpreted according to the principles of contract law, giving full effect to the intent of the Members, acting through the Board of Directors in establishing the Programs.

Article 6. Powers of Authority. (a) The Authority shall have all of the powers common to Members and is hereby authorized to do all acts necessary for the exercise of said common powers, including, but not limited to, any or all of the following:

- (1) to make and enter into contracts, including the power to accept the assignment of contracts or other obligations which relate to the purposes of the Authority, or which were entered into by a Member or Former

Member prior to joining the Authority, and to make claims, acquire assets and incur liabilities;

- (2) to accept an assignment from SDWCA of all its assets, obligations and liabilities prior to the dissolution of SDWCA (including claims and contracts in existence prior to such dissolution) in order to benefit the Members or Former Members participating in the SDWCA workers compensation program; provided, that except for the fair and equitable allocation of administrative and overhead expenses, funds from such assignment shall not be co-mingled and shall be separately accounted for as provided for in this Agreement and the Bylaws.
- (3) to incur debts, liabilities, or other obligations, including those which are not debts, liabilities or obligations of the Members or Former Members, or any of them;
- (4) to charge and collect Contributions and Assessments from Members or Former Members for participation in Programs;
- (5) to receive grants and donations of property, funds, services and other forms of assistance from persons, firms, corporations and governmental entities;
- (6) to acquire, hold, lease or dispose of property, contributions and donations of property and other forms of assistance from persons, firms, corporations and governmental entities
- (7) to acquire, hold or dispose of funds, services, donations and other forms of assistance from persons, firms, corporations and governmental entities;
- (8) to employ agents and employees, and/or to contract for such services;
- (9) to incur debts, liabilities or other obligations to finance the Programs and any other powers available to the Authority under Article 2 or Article 4 of the Act;
- (10) to enter into agreements for the creation of separate public entities and agencies pursuant to the Act;
- (11) to sue and be sued in its own name;
- (12) to exercise all powers necessary and proper to carry out the terms and provisions of this Agreement (including the provision of all other appropriate ancillary coverages for the benefit of the Members or Former Members), or otherwise authorized by law or the Act; and
- (13) to exercise all powers and perform all acts as otherwise provided for in the Bylaws.

(b) Said powers shall be exercised pursuant to the terms hereof, in the manner provided by law and in accordance with Section 6509 of the Act. The foregoing powers shall be subject to the restrictions upon the manner of exercising such powers pertaining to the Member or Former Member designated in the Bylaws.

Article 7. Board of Directors. Subject to the limitations of this Agreement and the laws of the State of California, the powers of this Authority shall be vested in and exercised by, and its property controlled and its affairs conducted by, the Board of the Authority, which is hereby established and designated as the agency to administer this Agreement pursuant to Section 6506 of the Act. The powers of the Authority shall be exercised through the Board of Directors, who may, from time to time, adopt and modify Bylaws and other rules and regulations for that purpose and for the conduct of its meetings as it may deem proper. The officers of the Board shall be as set forth in the Bylaws.

So long as the MOU has not been terminated or the Authority has not withdrawn from the MOU, the Board of Directors shall be composed of seven (7) directors elected by the Member entities who have executed the current operative Agreement and are participating in a Joint Protection Program. The terms of directors, procedures for election of directors, procedures for meetings and provisions for reimbursement of Director expenses shall be as set forth in the Bylaws. Each Member of the Board of Directors shall have one vote. Each Member of the Board shall serve as set forth in the Bylaws.

So long as the Authority is a participant in the MOU, the Board of Directors of the Authority shall appoint three (3) members of its board to serve as members of the Alliance Executive Council. No member of the Board of Directors of the Authority shall serve as a director on any other board of directors of an entity or organization that is a signatory to the MOU during the term of the MOU. In the event a director is elected to such a board, that director shall immediately resign from the Board of Directors of the Authority.

In the event SDRMA withdraws from the MOU, the Board of Directors of the Authority shall consist of those seven (7) Directors who hold seats on the Authority's Board of Directors at the time of the withdrawal and who were duly appointed by the Board, or elected or re-elected by the Member entities of SDRMA plus the additional directors appointed by CSDA as provided in Article 25.

Article 8. Compliance with the Brown Act. All meetings of the Board, including, without limitation, regular, adjourned regular and special meetings, shall be called, noticed, held and conducted in accordance with the provisions of the Ralph M. Article 9. Powers of the Board of Directors. The Board of Directors shall have such powers and functions as provided for pursuant to this Agreement and the Bylaws and such additional powers as necessary or appropriate to fulfill the purposes of this Agreement and the Bylaws, including, but not limited to, the following:

- (t) to exercise general supervisory and policy control over the Chief Executive Officer;
- (u) to establish committees and sub-committees as it deems necessary to best serve the interests of the Authority; and
- (v) to have such other powers and functions as are provided for pursuant to the Act, this Agreement or necessary or appropriate to fulfill the purpose of this Agreement and the Bylaws.

Article 10. Officers of the Authority. The officers of the Authority shall be as set forth in the Bylaws. The Board may elect or authorize the appointment of such other officers than those described in the Bylaws as the business of the Authority may require, each of whom shall hold office for such period, have such authority and perform such duties as are provided in this Agreement, or as the Board, from time to time, may authorize or determine.

Any officer may be removed, either with or without cause, by a majority of the directors of the Board at any regular or special meeting of the Board. Should a vacancy occur in any office as a result of death, resignation, removal, disqualification or any other cause, the Board may delegate the powers and duties of such office to any officers or to any Members of the Board until such time as a successor for said office has been appointed.

Article 11. Provision for Bylaws. The Board shall promulgate Bylaws to govern the day-to-day operations of the Authority. The Bylaws shall be consistent with the terms of this Agreement. In the event any provision of the bylaws conflicts with a provision of this Agreement, the provision contained in this Agreement shall control.

Article 12. [Reserved].

Article 13. Coverage Programs.

(a) The Authority shall maintain such types and levels of coverage for Programs as determined by the Board of Directors. Such coverage may provide for binding arbitration before an independent arbitration panel of any disputes concerning coverage between the Authority and a Member.

(b) The coverage afforded under one or more Programs may include protection for general liability, auto liability, property, boiler and machinery, public officials errors and omissions, employment practices, employee benefits liability coverage, employee dishonesty coverage, public officials personal liability coverage and workers' compensation, as well as coverage for other risks which the Board of Directors may determine to be advisable. More than one type of coverage may be afforded under a single Program.

(c) The Board of Directors may arrange for group policies to be issued for Members, their board members and employees interested in obtaining additional coverage, at an appropriate additional cost to those participating Members.

(d) The Board of Directors may arrange for the purchase of Excess or Re-Insurance. The Authority shall not be liable to any Member or to any other person or organization if such excess or reinsurance policies are terminated, canceled or non-renewed without prior notice to one or more Members, or if there is a reduction in the type of coverage afforded under a program by reason of any change in coverage in a succeeding excess or reinsurance policy, even if such reduction occurs without prior notice to one or more Members.

Article 14. Implementation of the Programs. The Board of Directors shall establish the coverage afforded by each Program, the amount of Contributions and Assessments, the precise cost allocation plans and formulas, provide for the handling of claims, and specify the amounts and types of Excess or Re-Insurance to be procured. The Contributions and Assessments for each Program shall be determined by the Board of Directors as set forth herein, in the Bylaws or in the operating policies established for a Program.

(a) **Annual Budget.** The Authority shall, pursuant to the Bylaws, annually adopt an operating budget, including budgets for each Joint Protection Program.

(b) **Funds and Accounts.** The Authority shall establish and maintain such funds and accounts as required by the Board of Directors and as required by generally accepted accounting principles, including separate funds and accounts for each Program, including Joint Protection Programs. Books and records of the Authority shall be open to any inspection at all reasonable times by authorized representatives of Members, or as otherwise required by law.

(c) **Investments.** Subject to the applicable provisions of any indenture or resolution providing for the investment of moneys held thereunder, the Authority shall have the power to invest any money in the treasury that is not required for the immediate necessities of the Authority, as the Board determines is advisable, in the same manner as local agencies pursuant to

California Government Code Sections 53601 *et seq.* (as such provisions may be amended or supplemented).

(d) **No Commingling.** The funds, reserves and accounts of each Program shall not be commingled and shall be accounted for separately; provided, however, that administration and overhead expenses of the Authority not related to a specific Program or Programs may be fairly and equitably allocated among Programs as determined by the Board of Directors. Investments and cash accounts may be combined for administrative convenience, but a separate accounting shall be made for balances of individual funds and Program revenues and expenses.

(e) **Annual Audit.** The Board shall provide for a certified, annual audit of the accounts and records of the Authority, in the manner set forth in the Bylaws.

Article 16. Services Provided by the Authority. The Authority may provide, at the sole discretion of the Board of Directors, the following services in connection with this Agreement:

(h) to conduct risk management audits relating to the participation of Members in the Programs; and

(i) to provide such other services as deemed appropriate by the Board of Directors.

Article 17. Responsibilities of Members. Members or Former Members shall have the following responsibilities, which shall survive the withdrawal from, or involuntary termination of participation in, this Agreement:

(a) Each Member shall designate a person to be responsible for the risk management function within that Member and to serve as a liaison between the Member and the Authority as to risk management.

(b) Each Member shall maintain an active safety officer and/or committee, and shall consider all recommendations of the Authority concerning unsafe practices and/or hazard mitigation.

(c) Each Member shall maintain its own set of records, including a loss log, in all categories of risk covered by each Program in which it participates to insure accuracy of the Authority's loss reporting system, unless it is no longer deemed necessary by the Board of Directors.

(d) Each Member shall pay its Contribution, and any adjustments thereto, and any Assessments within the specified period set forth in the invoice, or as otherwise may be set forth herein or in the Bylaws. After withdrawal or termination, each Former Member or its successor shall pay promptly to the Authority its share of any additional Contribution, adjustments or Assessments, if any, as required of it by the Board of Directors under Article 21 or 22 of this Agreement or the Bylaws.

(e) Each Member or Former Member shall provide the Authority with such other information or assistance as may be necessary for the Authority to carry out the Programs under this Agreement in which the Member or Former Member participates or has participated.

(f) Each Member or Former Member shall in any and all ways cooperate with and assist the Authority and any insurer of the Authority, in all matters relating to this Agreement and covered claims.

(g) Each Member or Former Member will comply with all Bylaws, rules and regulations adopted by the Board of Directors.

(h) Each Member shall remain a member in good standing of CSDA.

Article 18. New Members. The Authority shall allow entry into its Programs of new Members only upon approval of the Board, with any conditions or limitations as the Board deems appropriate. In order to become a Member and remain a Member, any District must be a member in good standing of CSDA, shall participate in at least one (1) Joint Protection Program and shall be authorized to exercise the common powers set forth in this Agreement.

Article 19. Withdrawal.

(A) Any Member may voluntarily withdraw from this Agreement only at the end of any applicable Program Year and only if:

- (i) The Member has been a signatory to this Agreement for not less than three (3) full Program Years as of the date of the proposed withdrawal;

- (ii) The Member submits a written withdrawal notification in accordance with the Bylaws;
- (iii) In order to withdraw from the agreement the member must have completed the three (3) full program year participation requirement for each Joint Protection Program the member participated in at the time of withdrawal.

(B) Any Member may voluntarily withdraw from any particular Joint Protection Program; and

- (i) It has participated in such Joint Protection Program for at least three (3) full Program Years;
- (ii) it is a participant in another Joint Protection Program; and
- (iii) the Member submits a written withdrawal notification in accordance with the Bylaws.

(C) In the event that the three year participation requirement as required by (A)(i) or (B)(i) as to any such Joint Protection Program above has not been met, for each Program the withdrawing Member participated in at the time of its withdrawal, for less than three years such withdrawing member shall be obligated to pay all Contributions and Assessments as if that Member had remained in each such Program for the full three years from the inception of its membership in the Authority.

(D) In the event that the notice is not provided as required by (A)(ii) or (B)(iii) above, any such withdrawing Member shall, with respect to each Program the Member participated in, be obligated to pay any and all Contributions and Assessments for the next full Program Year.

(E) A Member may withdraw from any Program (other than a Joint Protection Program) as provided by the Coverage Documents relating to such Program.

(F) Withdrawal of one or more Members shall not serve to terminate this Agreement.

(G) A Member may not withdraw as a party to this Agreement until it has withdrawn, as provided in the Bylaws from all of the Programs of the Authority.

Article 20. Involuntary Termination.

(a) Notwithstanding the provisions of Article 19, the Authority shall have the right to involuntarily terminate any Member's participation in any Program, or terminate membership in the Authority, as provided in the Bylaws.

(b) Notwithstanding any other provisions of this Agreement, the participation of any Member of the Authority, including participation in any of the Authority's Programs, may be involuntarily terminated at the discretion of the Board of Directors whenever such Member is dissolved, consolidated, merged or annexed. A reasonable time shall be afforded, in the

discretion of the Board of Directors, to place coverage elsewhere. Any such involuntary termination shall not relieve the Member or Former Member of its responsibilities as provided for in Articles 17 or 21.

Article 21. Effect of Withdrawal or Involuntary Termination. The withdrawal from or involuntary termination of any Member from this Agreement shall not terminate this Agreement, and such Member, by withdrawing or being involuntarily terminated, shall not be entitled to payment, return or refund of any Contribution, Assessment, consideration, or other property paid, or donated by the Member to the Authority, or to any return of any loss reserve contribution, or to any distribution of assets (except payment of any Retained Earnings, as set forth in the following paragraph).

The withdrawal from or involuntary termination of any Member after the effective date of any Program shall not terminate its responsibility to pay its unpaid Contribution adjustments, or Assessments to such Program. The Board of Directors shall determine the final amount due from the Member or Former Member by way of contribution or assessments, if any, or any credit due on account thereof, to the Member or Former Member for the period of its participation. Such determination shall not be made by the Board of Directors until all Claims, or other unpaid liabilities, have been finally resolved. In connection with this determination, the Board of Directors may exercise similar powers to those provided for in Article 22(b) of this Agreement, or as otherwise set forth in the Bylaws. Upon such withdrawal from or cancellation of participation in any Program by any Member, said Member shall be entitled to receive its pro rata share of any Retained Earnings declared by the Board of Directors after the date of said Member withdraws or is involuntarily terminated.

Article 22. Termination and Distribution; Assignment.

(a) This Agreement may be terminated any time with the written consent of two-thirds of the voting Members; provided, however, that this Agreement and the Authority shall continue to exist for the purpose of disposing of all claims, distribution of net assets and all other functions necessary to wind up the affairs of the Authority.

(b) The Board of Directors is vested with all powers of the Authority for the purpose of winding up and dissolving the business affairs of the Authority. These powers shall include the power to require Members or Former Members, including those which were signatory hereto at the time the subject Claims arose or was/were incurred, to pay any Assessment in accordance with loss allocation formulas for final disposition of all Claims and losses covered by this Agreement or the Bylaws. A Member or Former Member's Assessment shall be determined as set forth in the Bylaws or the applicable Coverage Documents.

(c) Upon termination of a Program, all net assets of such Program other than Retained Earnings shall be distributed only among the Members that are participating in such Program at the time of termination, in accordance with and proportionate to their cash payments (including Contributions, adjustments, Assessments and other property at market value when received) made during the term of this Agreement for such Program. The Board of Directors shall determine such distribution within six (6) months after disposal of the last pending Claim or loss covered by such Program, or as otherwise set forth in the Bylaws.

(d) Upon termination of this Agreement all net assets of the Authority, other than of any Program distributed pursuant to (c) above, shall be distributed only among the Members in good standing at the time of such termination in accordance with and proportionate to their cash contributions and property at market value when received. The Board of Directors shall determine such distribution within six (6) months after disposal of the last pending Claim or loss covered by this Agreement, or as otherwise set forth in the Bylaws.

(e) In the event the Board of Directors is no longer able to assemble a quorum, the Chief Executive Officer shall exercise all powers and authority under this Article. The decision of the Board of Directors or Chief Executive Officer under this Article shall be final.

(f) In lieu of terminating this Agreement, the Board, with the written consent of two-thirds of the voting Members, may elect to assign and transfer all of the Authority's rights, assets, liabilities and obligations to a successor joint powers authority created under the Act.

Article 23. Enforcement. The Authority is hereby granted authority to enforce this Agreement. In the event action is instituted to enforce the terms of this Agreement, the Bylaws and/or any policies and/or procedures of the Board of Directors and the nondefaulting party(s) should employ attorneys or incur other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party(s) herein contained, the defaulting party agrees that it will on demand therefore pay to the nondefaulting party(s) the reasonable fees of such attorneys and such other expenses so incurred by the nondefaulting party(s).

Article 24. Nonliability of Directors, Officers and Employees.
