TRUSTEE REPORTS

President Shkoler reported that he attended the Summer Reading Celebration, the Placentia Library Friends Foundation (PLFF) Jewel Reception, the PLFF Computer Lab Ribbon Cutting Ceremony, and the City of Placentia's National Night Out where he helped to serve snow cones. He also attended the Placentia Library Friends Foundation Board Meeting. (Item 5)

Secretary DeVecchio thanked his fellow Board members who joined him in celebration his 50th wedding anniversary. He attended the PLFF Jewel Reception and a PLFF ad-hoc meeting to discuss donated funds.

Trustee Escobosa attended the Summer Reading Celebration, the PLFF Jewel Reception, and the PLFF Computer Lab Ribbon Cutting Ceremony. She also participated in the City of Placentia's National Night Out and several Chamber events.

Trustee Turner attended the PLFF Jewel Reception that had good attendance and good food. About 40 members attended. She was also at the monthly Adult Book discussion and PLFF Board Meeting. She attended the Chamber Ribbon Cutting events for the Placentia-Linda Hospital and MD Medical Clinics.

Trustee Wood recognized the Library staff for hosting a very thoughtful and well received brunch for PLFF in appreciation for their support of the summer reading programs. She also attended the City of Placentia's National Night Out and the Library's Summer Reading Celebration. (Item 6)

PLFF REPORT

Trustee Turner reported that PLFF held a successful Jewel Reception on Friday, September 10th. At their monthly meeting they discussed obtaining a letter with a barcode from Ralph's in order to make it easier for supporters to subscribe to their donation program that allocates a percentage of purchases to PLFF. President Shkoler added that the slide show that was created for their reception will be added to the History Room archive. Library Director Contreras added that PLFF is moving forward with plans for their annual Author's Luncheon that will be held on March 5, 2011. Regarding funds, they will be committing approximately \$50 thousand dollars to the Library in the next two and a half years. Both Library Director Contreras and President Shkoler explained the discrepancies of the Donor/Member List created for the Jewel Reception. It did not recognize all donors, rather, only those who were also official PLFF members. The list is to be corrected and reprinted in order that all donors are acknowledged per the consensus at the PLFF meeting. (Item 7)

The Personnel Committee will meet with Library Director Contreras to discuss her annual review at a time to be determined. (Item 27)

In follow up to the Board of Trustees April 19th meeting, Library Director Contreras presented information on private short-term disability programs provided by Aflac and Metlife. Human Resources/Finance Baltierra added that Aflac's program offers more flexibility and options. Discussion was made regarding the District's cost to offer this as an additional benefit. Human Resources/Finance Baltierra confirmed that the cost would be \$104 per year in addition to staff time to process the deductions with payroll. PLD POLICY #5060 MINUTES OF BOARD MEETINGS Library Director Contreras presented the recommended change to Placentia Library District Policy #5060 – Minutes of Board Meetings to match the Brown Act requirement of 30 day retention of recordings of open and public meetings rather than a 90 day retention period. She also explained that Placentia Library District Policy #3090 – Records Retention

items 3090.5 and Appendix B would be revised to reflect the retention period change. PLACENTIA LIBRARY DISTRICT BOARD OF TRUSTEES

TO: Library Board of Trustees

FROM: Jeanette Contreras, Library Director

SUBJECT: Meeting Room Policy Exemption Request from

the Southern California Orchid Society

DATE: October 18, 2010

BACKGROUND

The Southern California Orchid Society has been renting the meeting room at the Placentia Library for over 25 years. The group uses the Library's meeting room and courtyard to hold their annual auction which is the "main fund-raising event for the society, and proceeds from this event are vital to the continued operation of Southern California's oldest orchid society."

Although the group has used our Meeting Room and courtyard area for many years for their annual auction, it has been in violation of our Meeting Room policy #6050.19: "The Meeting Room cannot be used for activities for personal profit, or, benefit, except in instances where the objectives of such event are related to the improvement or betterment of the Library. Vending of any article or service will not be permitted."

The group is seeking an exemption from Placentia Library District Policy #6050.19 so they may continue to hold their annual auction at Placentia Library.

Attachment A is their formal request for consideration of policy exemption.

Fiscal Impact: \$170.00 from meeting room rental funds.

RECOMMENDATION

Exempt the Southern California Orchid Society from Placentia Library District Policy #6050.19.

Subject: Re. Meetung Room and Annual auction

Meeting Room and Annual Auction for SCOSS.

Our Society being a non-profit society must have a way to earn monies to pay our rent and for minor supplys. All our officers, board members, directors are all volunteers no one is paid. This being the case we need a way to support the clubs expenses. We are a small society with probably 30 of the 60 members attending. We have people from all over coming and even people from the library drop by everyone is invited to come and enjoy the meeting and auction.

Our auction gives us an opportunity to introduce many people to the fun of growing orchids earn money to pay our bills, our guests a fun and educational time. We have enjoyed our relationship with the library for the last 25 years and hope we will be able to continue to have the auction there at our room.

Please let me as President of this society to invite you to our auction, buy an orchid and get hooked on these wonderful flowers.

Thank you for helping us.

PLACENTIA LIBRARY DISTRICT BOARD OF TRUSTEES

TO:

Library Board of Trustees

FROM:

Jeanette Contreras, Library Director

SUBJECT:

Discuss and Develop a Social Media Policy for the Placentia Library

District

DATE:

October 18, 2010

BACKGROUND

President Shkoler and Library Director Contreras attended the "Social Media Policy" workshop at this year's California Special District Association Conference. The speakers spoke about the necessity for businesses to develop such a policy.

"Social media", or interactive web-based publishing, has come to play a major role in today's world. Decentralized and accessible to all, blogging, microblogging, posting comments on websites, updates on Facebook, or photos on Flickr can reach thousands, or hundreds of thousands, of people, instantly and can play a vital role in publicizing library programs and marketing library services. At the same time, the decentralized nature of social media allows library staff and trustees to reach a wide audience outside of normal regulated institutional channels. The possibilities for confusion and abuse are endless.

The proposed Placentia Library District Policy #2275 – Social Media Policy establishes rules and guidelines governing use of social media by library staff and trustees and helps define what is permissible in this new media.

Attachment A is the proposed Draft Social Media Policy.

Fiscal Impact: \$0

RECOMMENDATION

Approve the proposed Placentia Library District Policy #2275 – Social Media Policy as a first draft as presented and to be further reviewed at the November Library Board of Trustees regular meeting.

.

.....DRAFT-----PLACENTIA LIBRARY DISTRICT POLICY #2275 - Social Media Policy

2275.1

Policy Statement

Social media may be used by Placentia Library District employees and trustees for businessrelated purposes subject to the restrictions set forth in this policy. These restrictions are intended to ensure compliance with legal and regulatory restrictions and privacy and confidentiality agreements. Social media includes items such as blogs, podcasts, discussion forums, and social networks.

2275.2 Purpose

The purpose of this policy is to provide Placentia Library District employees and trustees with requirements for participation in social media, including Placentia Library District-hosted social media, and in non-Placentia Library District social media in which the employee's Placentia Library District affiliation is known, identified, or presumed.

2275.3 **Definitions**

- Blog Short for "Web log," a site that allows an individual or group of 2275.3.1 individuals to share a running log of events and personal insights with online audiences.
- 2275,3,2 Electronic Media - Non-computing devices, e.g., flash memory drives, CDs, DVDs, hard disks, internal memory, and any other interchangeable, reusable, and/or portable electronic storage media on which electronic information is stored, or which are used to move data among computing systems/devices.
- Placentia Library District Information Information in any form or media 2275.3.3 that is created by or on behalf of Placentia Library District in the course and scope of its business, regardless of whether that information is maintained or stored by Placentia Library District and others on Placentia Library District's behalf. Examples of Placentia Library District information include, but are not limited to, patron records, personnel records, financial information, Placentia Library District developed intellectual property, and business e-mail messages.
