ONGOING PROJECTS

Toby Silberfarb wrote and submitted a grant application for a Draper Family Foundation Grant. The focus of the grant is to provide professional guidance to local high school students applying for college, trade school or employment.

The library's recognition of Poetry Month is being coordinated with the Imagination Celebration, since both begin in April. Joanne Hardy and the library's poet laureate, Meredith Laskow, will design the bulletin board near the check-out desk (usually displaying Dixie Shaw's selections) to feature short poems which can be read quickly by patrons waiting in line. The display will be called "Poetry Sparks Our Imagination". A "Poems-To-Go" handout will be available for patrons to take. The Adult Services staff each selected poems which will be submitted to Ms. Laskow for final approval. Ms. Laskow will design the layout of the board, in conjunction with Mrs. Hardy.

Joanne Hardy is developing the Imagination Celebration adult program, "Whisper, Shout, Let It All Out!", which will occur on Sunday, April 26, 1:00 – 4:00. Danny Oberbeck will guide teens and adults through a Readers Theatre participatory experience in which they take a passage of literature and turn it into a performance piece. Gary Bell will be the contact person for this program after Mrs. Hardy leaves.

Nadia Dallstream, Kathy Staymates and Joanne Hardy met to develop the Adult Summer Reading Program. It will follow the same dates as the SRC for children. The theme is "Express Yourself @ Your Library" and will emphasize creative expression. Book reading will be encouraged with weekly raffles for prizes. Programs on Saturdays will feature creativity in music, dance, journaling, cuisine, gardening, and card-making (tentative).

19400. A library district may be organized, as provided in this chapter. The library district may establish, equip, and maintain a public library for the dissemination of knowledge of the arts, sciences, and general literature and may exercise the powers granted or necessarily implied pursuant to this chapter.

19401. The library district may include incorporated or unincorporated territory, or both, in any one or more counties, so long as the territory of the district consists of contiguous parcels and the territory of no city is divided.

19402. Whenever the formation of a library district is desired, a petition which may consist of any number of instruments, may be presented at a regular meeting of the board of supervisors of the county in which is located the largest proportionate value of the lands within the proposed district as shown by the last equalized county assessment roll. The petition shall specify whether the proposed library district shall be governed by a three-member board of library trustees or by a five-member board of library trustees. The board of supervisors to whom the petition is presented is designated in this chapter as the supervising board of supervisors.

19403. The petition shall be signed by registered voters residing within the proposed library district equal in number to at least 5 percent of the number of votes cast in the territory comprising the proposed district at the last preceding general state election at which a Governor was elected.

The board of library trustees shall file, through the librarian, on or before the last day of August of each year, a report with the State Librarian at Sacramento giving the condition of its library and the number of volumes contained therein on the 30th day of June preceding. The report shall, in addition to other matters deemed expedient by the board of trustees or the district librarian, contain such statistical and other information as is deemed desirable by the State Librarian. For this purpose the State Librarian may send to the several district librarians instructions or question blanks so as to obtain the material for a comparative study of library conditions in the state.

19469. The board of library trustees shall designate the hours during which the library shall be open for the use of the public.

19470. Annually, at least 15 days before the first day of the month in which county taxes are levied, the board of library trustees of each library district shall furnish to the board of supervisors of the county in which the district or any part thereof is situated, an estimate in writing of the amount of money necessary for all purposes required under this chapter during the next ensuing fiscal year.

19473. The tax shall be computed, entered upon the tax rolls, and collected in the same manner as county taxes are computed, entered, and collected. All money collected shall be paid into the county treasury to the credit of the particular library district fund and shall be paid out on the order of the district board, signed by the president and secretary.

19475. All money acquired by gift, devise, bequest, or otherwise, for the purposes of the library, shall be paid into the county treasury to the credit of the library fund of the district, subject only to the order of the library trustees of the district.

19476. If the payment into the treasury is inconsistent with the terms or conditions of any gift, devise, or bequest, the board of library trustees shall provide for the safety and preservation of the fund, and the application thereof to the use of the library, in accordance with the terms and conditions of the gift, devise, or bequest.

19477. Upon the receipt by the county auditor of an order of the library trustees of the district, he shall issue his warrant upon the county treasurer for the amount stated in the order.

19478. When any warrant is presented to the treasurer for payment and it is not paid for want of funds, the treasurer shall endorse thereon "not paid for want of funds" with the date of presentation and sign his name thereto, and from that time the warrant bears interest at the rate of 6 percent per annum until it is paid or until funds are available for its payment and the county treasurer gives notice to the warrant holder that funds are available for the payment. The giving of the notice is deemed complete upon deposit thereof in the United States mail in a sealed envelope addressed to the warrant holder at his address given by him at the time of presentation of the warrant to the treasurer, with postage thereon fully prepaid and registered.

19479. Every library established under this chapter shall be forever free to the inhabitants and nonresident taxpayers of the library district, subject always to such rules, regulations, and bylaws as may be made by the board of library trustees. For violation of any rule, regulation, or bylaw a person may be fined or excluded from the privileges of the library.

19480. The title to all property acquired for the purposes of the library, when not inconsistent with the terms of its acquisition, or not otherwise designated, vests in the district in which the library is or is to be situated.

19481. Every library district shall be designated by the name and style of _____ Library District (using the name of the district) of _____ County (using the name of the county or counties in which the district is situated). In that name the trustees may sue and be sued, and may hold and convey property for the use and benefit of the district. A number shall not be used as a part of the designation of any library district.

19482. The board of library trustees and the boards of trustees of neighboring library districts, or the governing bodies of neighboring cities, or boards of supervisors of counties in which public libraries are situated, may contract to lend the books of libraries created under this chapter to residents of the counties, neighboring cities, or library districts, upon a reasonable compensation to be paid by the counties, neighboring cities, or library districts.

19483. Anything in Sections 19100 to 19179, inclusive, to the contrary, notwithstanding, the property in any library district created under this chapter subsequent to the establishment of a county free library is subject to taxation for county free library purposes as though the library district had not been created. This section shall not apply to any adjustments in property tax allocations made pursuant to Section 19116.

19500. All claims for money or damages against the district are governed by Part 3 commencing with Section 900) and Part 4 (commencing with Section 940) of Division 3.6 of Title 1 of the Government Code except as provided therein, or by other statutes or regulations expressly applicable thereto.

19510. An election shall be held biennially in each library district for the election of one or more library trustees who shall hold office for four years beginning on the last Friday in November next succeeding his election. This election shall be held in the district on the same day as the school district election as specified in Section 5000 in the odd-numbered years. Trustees shall be nominated in the manner prescribed in Section 5012.

19511. To be qualified to vote at any library district election a person shall be registered to vote in the library district, at least 29 days before the election.

19514. If pursuant to Section 5327 a district election is not held, the board of supervisors of the county in which the district, or the largest part thereof in area, is situated shall at its next regular meeting appoint to the positions of trustee those persons nominated, and such persons shall qualify, take office, and serve exactly as if elected at a general district election. If no person has been nominated, the board of supervisors shall appoint any qualified voter of the district to the position.

19515. Except as otherwise provided in this article, Chapter 3 (commencing with Section 5300) of Part 4 of this division shall govern and control the conduct of elections pursuant to this chapter.

19520. The board of trustees of any library district may, when in their judgment it is deemed advisable, and shall, upon a petition of 50 or more taxpayers and residents of the library district, call an election and submit to the electors of the district, the proposition of whether the bonds of the district will be issued and sold for the purpose of raising money for any or all of the following:

- (a) The purchase of suitable lots.
- (b) Procuring plans and specifications and erecting a suitable building.
- (c) Furnishing and equipping the building and fencing and ornamenting the grounds, for the accommodation of the public library.
- (d) Any or all of the purposes of this chapter.
- (e) Liquidating any indebtedness incurred for the purposes.
- (f) Refunding any outstanding valid indebtedness, evidenced by bonds or warrants of the district.

19521. The bond election shall be called and conducted and the results thereof canvassed, returned, and declared in the manner provided in Chapter 3 (commencing with Section 5300) of Part 4 of this division.

19522. The board of trustees shall set forth in the resolution calling for a bond election the amount and denomination of the bonds, the rate of interest, and the number of years that all or any part of the bonds are to run.

19524. If it appears that two-thirds of the votes cast at the election were cast in favor of issuing the bonds, the board shall enter the fact upon its minutes and shall certify all the proceedings to the supervising board of supervisors. Thereupon the board of supervisors shall issue the bonds of the district, in the number and amount provided in the proceedings, and the district shall be named on the bonds. The bonds shall be paid out of the building fund of the district. The money for the redemption of the bonds and the payment of interest thereon shall be raised by taxation upon the taxable property in the district.

19525. The total amount of bonds issued shall not exceed 5 percent of the assessed value of the property of the district, prior to the 1980-81 fiscal year and shall not exceed 1.25 percent of the assessed value of the district beginning after the 1981-82 fiscal year, as shown by the last equalized assessment roll of the county or counties in which the district is situated.

19526. The supervising board of supervisors by an order entered upon its minutes shall prescribe the form of the bonds and of the interest coupons attached thereto, and shall fix the time when the whole or any part of the principal of the bonds shall be payable, which shall not be more than 40 years from the date thereof.

19527. The bonds shall not bear a greater amount of interest than 6 percent, to be payable annually or semiannually. The bonds shall be sold in the manner prescribed by the board of supervisors, but for not less than par, and the proceeds of the sale thereof shall be deposited in the county treasury to the credit of the building fund of the library district, and shall be drawn out for the purposes for which the bonds were issued as other library money is drawn out.

19528. The board of supervisors of each county in which any part of the district is situated, at the time of making the levy of taxes for county purposes, shall levy a tax for that year upon the taxable property in the district, at the equalized assessed value thereof for that year, for the interest and redemption of the bonds. The tax shall not be less than sufficient to pay the interest of the bonds for that year, and such portion of the principal as is to become due during the year. In any event the tax shall be high enough to raise, annually, for the first half of the term the bonds are to run, a sufficient sum to pay the interest thereon, and during the balance of the term, high enough to pay the annual interest and to pay, annually, a proportion of the principal of the bonds equal to a sum produced by taking the whole amount of the bonds outstanding and dividing it by the number of years the bonds then have to run.

19529. All money levied, when collected, shall be paid into the county treasury to the credit of the library district, and shall be used for the payment of principal and interest on the bonds, and for no other purpose. The principal and interest on the bonds shall be paid by the county treasurer, upon the warrant of the county auditor, out of the fund provided therefore. The county auditor shall cancel and file with the county treasurer the bonds and coupons as rapidly as they are paid.

19530. Whenever any bonds issued under this article remain unsold for the period of six months after having been offered for sale in the manner prescribed by the supervising board of supervisors, the board of trustees of the library district for or on account of which the bonds were issued, or of any library district composed wholly or partly of territory which, at the time of holding the election authorizing the issuance of the bonds, was embraced within the district for or on account of which the bonds were issued, may petition the supervising board of supervisors to cause the unsold bonds to be withdrawn from the market and canceled.

19531. Upon receiving the petition, signed by a majority of the members of the board of

trustees, the supervising board of supervisors shall fix a time for hearing the petition, which shall be not more than 30 days thereafter, and shall cause a notice, stating the time and place of hearing, and the object of the petition in general terms, to be published as provided in this chapter.

19532. At the time and place designated in the notice for hearing the petition, or at any subsequent time to which the hearing is postponed, the supervising board of supervisors shall hear any reasons that are submitted for or against the granting of the petition, and if they deem it for the best interests of the library district named in the petition that the unsold bonds be canceled, they shall make and enter an order in the minutes of their proceedings that the unsold bonds be canceled. Thereupon the bonds, and the vote by which they were authorized to be issued, shall cease to be of any validity whatever.

19644. The board shall cause a proper record of its proceedings to be kept, and at the first meeting of the board of trustees, it shall immediately cause to be made out and filed with the State Librarian a certificate showing that the library has been established, with the date thereof, the names of the trustees, and the officers of the board chosen for the current fiscal year.

19645. The board of library trustees shall make and enforce all rules, regulations, and bylaws necessary for the administration, government, and protection of the library under its management, and all property belonging to it.

19653. The board of library trustees shall file, through the librarian, on or before the last day in the month of August of each year, a report with the State Librarian at Sacramento giving the condition of the library and the number of volumes contained therein on the 30th day of June preceding. The report shall, in addition to other matters deemed expedient by the board of trustees or the librarian, contain such statistical and other information as is deemed desirable by the State Librarian. For this purpose the State Librarian may send to the several district librarians instructions or question blanks so as to obtain the material for a comparative study of library conditions in the state.

19654. The board of library trustees shall designate the hours during which the library is open for the use of the public. All public libraries established under this chapter shall be open for the use of the public during every day in the year except on such legal holidays as may be determined by the board of library trustees.

19658. The revenue derived from the tax, together with all money acquired by gift, devise, bequest, or otherwise, for the purposes of the library, shall be paid into the county treasury, to the credit of the library fund of the district in which the tax is collected, subject only to the order of the library trustees of the district. If payment into the treasury is inconsistent with the terms or conditions of any gift, devise, or bequest, the board of library trustees shall provide for the safety and preservation of the fund, and the application thereof to the use of the library, in accordance with the terms and conditions of the gift, devise, or bequest.

19659. Upon the receipt by the county auditor of an order of the library trustees of the district he shall issue his warrant upon the county treasurer for the amount stated in the order.

19660. When any warrant is presented to the treasurer for payment and it is not paid for want of funds the treasurer shall endorse thereon "not paid for want of funds" with the date of presentation and sign his name thereto and from that time the warrant bears interest at the rate of 6 percent per annum until it is paid or until funds are available for its payment and the county treasurer gives notice to the warrant holder that funds are available for payment. The giving of the notice is deemed complete upon deposit thereof in the United States mail in a sealed envelope addressed to the warrant holder at his address given by him at the time of presentation of the warrant to the treasurer, with postage thereon fully prepaid and registered.

19661. Every library established under this chapter shall be forever free to the inhabitants and nonresident taxpayers of the library district, subject always to such rules, regulations, and

In that name the trustees may sue and be sued, and may hold and convey property for the use and benefit of the district. A number shall not be used as a part of the designation of any library district.

EDUCATION CODE SECTION 19690

19690. All claims for money or damages against the district are governed by Part 3 (commencing with Section 900) and Part 4 (commencing with Section 940) of Division 3.6 of Title 1 of the Government Code except as provided therein, or by other statutes or regulations expressly applicable thereto.

EDUCATION CODE SECTION 19700-19702

19700. (a) Except as otherwise provided in this article, the Uniform District Election Law (Part 4 (commencing with Section 10500) of Division 10 of the Elections Code) shall govern and control the conduct of elections pursuant to this chapter. Elections shall be held biennially in the district on the same day as the school district election as specified in Section 5000 in the odd-numbered years.

- (b) The trustees shall hold office for the term of four years beginning on the first Friday in December next succeeding their appointment or election.
- (c) The members of the first board of library trustees appointed or elected in a district shall, at their first meeting, so classify themselves by lot that their terms shall expire: two on the first

Friday in December of the first odd-numbered calendar year next succeeding their appointment or election, and three on the first Friday in December of the second succeeding odd-numbered calendar year.

19701. The number of library trustees for any library district established under the provisions of this chapter is five.

19702. Every person who is registered to vote in the library district where the election is held at least 29 days before the election, may vote at the election.

EDUCATION CODE SECTION 19720-19734

19720. The board of trustees of any library district may, when in their judgment it is deemed advisable, and shall upon a petition of 50 or more taxpayers and residents of the library district, call an election and submit to the electors of the district the question of whether the bonds of the district shall be issued and sold for the purpose of raising money for any or all of the following:

- (a) The purchase of suitable lots.
- (b) Procuring plans and specifications and erecting a suitable building.
- (c) Furnishing and equipping the building, and fencing and ornamenting the grounds, for the accommodation of the public library.
 - (d) Any or all of the purposes of this chapter.
 - (e) Liquidating any indebtedness incurred for the purposes.
- (f) Refunding any outstanding valid indebtedness, evidenced by bonds or warrants of the district.

19721. The election shall be called by posting notices, signed by the board, in three of the most public places in the district, for not less than 20 days before the election, and by publishing the notice not less than once a week for three successive weeks in a newspaper published in the district if there is one, or if there is none, in a newspaper published in the county.

19722. The notice shall contain:

- (a) Time and place of holding the election.
- (b) The names of inspectors and judges to conduct the election.
- (c) The hours during the day in which the polls will be open.
- (d) The amount and denomination of the bonds, the rate of interest, and the number of years, not exceeding 40, the whole or any part of the bonds are to be run.

- 19723. The election shall be conducted in accordance with the provisions relating to the election of trustees, insofar as they are applicable to the election for bonds.
- 19724. Voting shall be by ballot, without reference to the general election law in regard to form of ballot, or manner of voting, except that the words to appear on the ballot shall be, "Bonds--Yes," and "Bonds--No." Persons voting at the bond election shall put a cross (+) upon their ballots, with pencil or ink, after the words, "Bonds--Yes," or "Bonds--No," as the case may be, to indicate whether they have voted for or against the issuance of the bonds. The ballot shall be handed by the elector voting to the inspector, who shall then, in his presence, deposit the ballot in the ballot box, and the judges shall enter the elector's name on poll list.
- 19725. On the seventh day after the election, at 8 o'clock p.m., the returns having been made to the board of trustees, the board shall meet and canvass the returns, and if it appears that more than one-half of the votes cast at the election are in favor of issuing the bonds, then the board shall cause an entry of the fact to be made upon its minutes and shall certify to the board of supervisors, all the proceedings had in the premises. Thereupon the board of supervisors shall issue the bonds of the district, to the number and amount provided in the proceedings, payable out of the building fund of the district, naming the district.
- 19726. The money shall be raised by taxation upon the taxable property in the district, for the redemption of the bonds and the payment of the interest thereon.
- 19727. The total amount of bonds issued shall not exceed 5 percent of the taxable property of the district, as shown by the last equalized assessment book of the county.
- 19728. The board of supervisors by an order entered upon its minutes shall prescribe the form of the bonds and of the interest coupons attached thereto, and shall fix the time when the whole or any part of the principal of the bonds shall be payable, which shall not be more than 40 years from the date thereof.
- 19729. The bonds shall not bear a greater amount of interest than 6 percent, to be payable annually or semiannually. The bonds shall be sold in the manner prescribed by the board of supervisors, but for not less than par, and the proceeds of the sale thereof shall be deposited in the county treasury to the credit of the building fund of the library district, and shall be drawn out for the purposes for which the bonds were issued as other library moneys are drawn out.
- 19730. The board of supervisors, at the time of making the levy of taxes for county purposes, shall levy a tax for that year upon the taxable property in the district, at the equalized assessed value thereof for that year, for the interest and redemption of the bonds. The tax shall not be less than sufficient to pay the interest of the bonds for that year, and such portion of the

principal as is to become due during the year. In any event the tax shall be high enough to raise, annually, for the first half of the term the bonds have to run, a sufficient sum to pay the interest thereon, and during the balance of the term, high enough to pay the annual interest and to pay, annually, a proportion of the principal of the bonds equal to a sum produced by taking the whole amount of the bonds outstanding and dividing it by the number of years the bonds then have to run.

19731. All money levied, when collected, shall be paid into the county treasury to the credit of the library district, and shall be used for the payment of principal and interest on the bonds, and for no other purpose. The principal and interest on the bonds shall be paid by the county treasurer, upon the warrant of the county auditor, out of the fund provided therefor. The county auditor shall cancel and file with the county treasurer the bonds and coupons as rapidly as they are paid.

19732. Whenever any bonds issued under this article remain unsold for the period of six months after having been offered for sale in the manner prescribed by the board of supervisors, the board of trustees of the library district for or on account of which the bonds were issued, or of any library district composed wholly or partly of territory which, at the time of holding the election authorizing the issuance of the bonds, was embraced within the district for or on account of which the bonds were issued, may petition the board of supervisors to cause the unsold bonds to be withdrawn from market and canceled.

19733. Upon receiving the petition, signed by a majority of the members of the board of trustees, the supervisors shall fix a time for hearing the petition, which shall be not more than 30 days thereafter, and shall cause a notice, stating the time and place of hearing, and the object of the petition in general terms, to be published for 10 days prior to the day of hearing, in some newspaper published in the library district, if there is one, and if there is no newspaper published in the library district, then in a newspaper published at the county seat of the county in which the library district or part thereof is situated.

19734. At the time and place designated in the notice for hearing the petition, or at any subsequent time to which the hearing is postponed, the supervisors shall hear any reasons that are submitted for or against the granting of the petition, and if they deem it for the best interests of the library district that the unsold bonds be canceled, they shall make and enter an order in the minutes of their proceedings that the unsold bonds be canceled. Thereupon the bonds, and the vote by which they were authorized to be issued, shall cease to be of any validity whatever.

PLACENTIA LIBRARY DISTRICT BOARD OF TRUSTEES

TO:

Library Board of Trustees

FROM:

Jeanette Contreras, Library Director

SUBJECT:

Accounting Responsibilities From the County of Orange to the District

DATE:

March 24, 2009

BACKGROUND:

The County of Orange is the agency designated to handle the processing of claims, cutting checks and mailing payments on behalf of the Placentia Library District. The cost to the District to handle these accounting functions is approximately \$10,800 per year. In the past library staff has experienced challenges with timely payments, effective communication with County personnel, lack of information, and extra library staff time to research and provide documents establishing proof of payments.

The challenges continue. The Library has QuickBooks, an accounting software currently used by the Administrative staff to process claims and in-house payments. Shifting the accounting responsibilities from the County of Orange to the District will increase flexibility, accuracy, generate reports, and decrease late penalties and redundant efforts.

RECOMMENDATIONS:

Authorize Library staff to handle the processing of claims, cutting checks, mailing payments and other related accounting functions with an effective date of July 1, 2009.
